

Old Bethpage PARP Recommended Reading List

This book by Garth Sundem is a great match for our PARP theme of "Everyday Superheroes". It contains the inspiring true stories of thirty children from around the globe who overcame adversity to achieve great things and make a real difference in the world.

Eleven-year-old Tilly saved the lives of 100 people in Thailand because she knew the warning signs of a tsunami. Ten-year-old Jean-Dominic won a battle against pesticides—and the cancer they caused in his body. Six-year-old Ryan raised over one million dollars to drill water wells in Africa.

As young readers meet these boys and girls from around the globe, they may wonder, "What kind of hero lives inside of me?" Teachers and parents can use this engaging resource to promote character building, community service, and knowledge of our world.

It is recommended for ages 9 through 13, or Grades 4 to 9, but parents can read these inspiring stories to younger children. It is available at Amazon or Barnes & Noble for about \$9 (softcover). *We have a copy in the school library, so take a look!*

Other PARP-related titles available in the school library include:
