DO WHAT YOU ARE[®]

Powered By *Human eSources*[™]

Introduction

You are about to begin the Do What You Are[®] Self Discovery Personality Type assessment. Successful completion of the assessment will generate a report that will provide you with important information about your personal characteristics. You will learn about careers that are matched to you, your personal strengths and blindspots, how you negotiate in your daily life, and a host of other useful information.

It is important to remember that the science of personality type is not an exact science. However, an understanding of your type can guide you in making better decisions for your future.

At the top of each page, a progress bar will indicate how much of the survey you have completed. Please follow the instructions carefully so your results reflect who you are as accurately as possible. Also, remember you can stop the survey at any time by clicking the stop sign. The next time you return to this section, you will pick up where you left off.

When you are ready to begin, please click the Continue button below.

Hello **Teacher**, welcome to Method Test Prep. Follow the study guide below. The guide will help you use this **SAT** course in the smartest way possible.

Don't stress if you get a question wrong. Just make sure to read the explanation thoroughly so that you will be able to answer that type of question when you take the exam.

General Tips

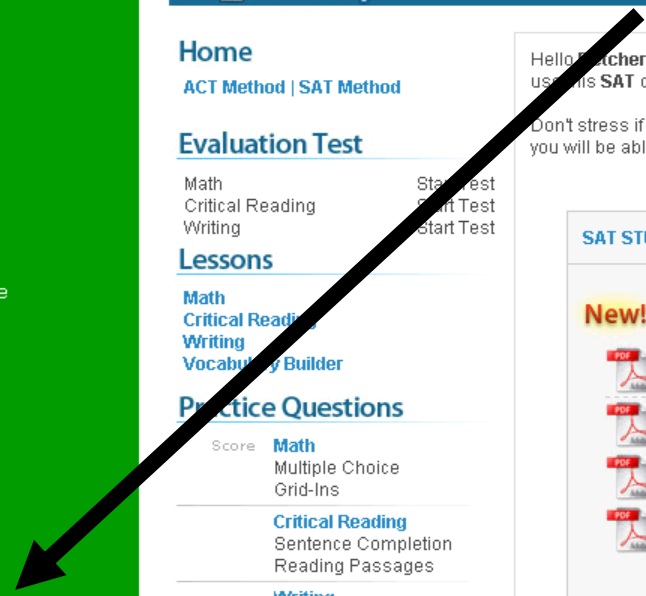

1 2 3 4 5 6 7 8 9 10 11 12 13

Tip #1

You will take ten sections but only nine of the ten will count towards your score. Three math sections, three critical reading sections, and three writing sections will count toward your score. The extra section, which will not count, could be either math, verbal, or writing. Unfortunately, you will not know which section this is. Therefore, you need to try your hardest on all ten sections.

Can you believe it....
Test Prep for both the SAT and
the ACT.
Now that is cool!
