

Apps from Parent University - Carmen Campos

1. Voice thread - VoiceThread is a great Web-based digital storytelling program that enables users to upload pictures or documents, record accompanying audio (or video) commentary, and invite others to record commentary as well. It's simple combination of visual and recorded media is perfect for creating multimedia presentations in a relatively short time frame using simple tools.

2. iTunes University - Learn a new language. Study Shakespeare. Discover the cosmos. It's all possible on iTunes U, home to more than 500,000 free lectures, videos, books, and other resources on thousands of subjects. Among the hundreds of colleges, universities, and elementary and high schools on iTunes U, you'll find Stanford, Yale, MIT, Oxford, and UC Berkeley, along with other distinguished institutions such as MoMA, the New York Public Library,

3. Videoscribe - VideoScribe gives you the ability to explain concepts, illustrate talks and engage an audience in a new and incredible way.

4. Heads up! - It's the game The New York Times called a "Sensation," and Cosmopolitan said "will be the best dollar you've spent." Heads Up! is the fun and hilarious game from Ellen DeGeneres that she plays on her show, and you can play with your friends! For school, students can write in their own vocabulary words!!

5. Speech journal - Speech Journal is a customizable voice recorder that lets you pair recorded messages with your own imported images and image sequences. Speech Journal gives parents and speech language professionals an unlimited amount of flexibility to create speech activities and generate speaking opportunities that best suit the needs of their children.

6. Story wheel - Story Wheel is an educational game that improves your child's cognitive abilities. Story Wheel helps develop an understanding of story composition, strengthens imagination, and improves oral language skills. It is a perfect complement to your child's language arts school curriculum.

7. I Movie - i Movie puts everything you need to tell your story at your fingertips, with a beautifully streamlined interface and Multi-Touch gestures that let you enjoy your videos like never before. Browse your video library, quickly share favorite moments, and create beautiful HD movies and Hollywood-style trailers

8. Puppet pals- Create your own unique shows with animation and audio in real time! Simply pick out your actors and backdrops, drag them on to the stage, and tap record. Your

movements and audio will be recorded in real time for playback later.

This app is as fun as your own creativity. Act out a story of Pirates on the high seas, fight as scary monsters, or play the part of a Wild West bandit on the loose. You can even combine any characters however you want!

9. Glogster - is a social network that allows users to create free interactive posters, or Glogs. A "Glog", short for "graphics blog", is an interactive multimedia image.

10. Quizlet - Simple free learning tools for students and teachers, www.quizlet.com which is also an app. It can create flashcards, study and game modes for students.

11. Video star - The easiest, fastest, and funniest way to make a music video. It lets students get very creative!
