Board Announcements

Mrs. Lieberman stated that she and the other Board Members attended all the moving up ceremonies which culminated with our high school graduation. It was a very memorable day. She spoke of the wonderful speakers which included, Congressman Steve Israel and Regent Roger Tillis. She was sorry that Jericho's ceremony ran 45 minutes late. She thanked Mr. Murray and his staff on a job well done. On behalf of the Board of Education, she congratulated the students, their families, the administrators and their teachers.

Mr. Bettan thanked Mrs. Lieberman for all of her hard work and dedication as Board President this past year.

Mrs. Lieberman stated that it has been an honor working with such a wonderful team.

Mrs. Schulman asked for a moment of silence for the three teens that were found murdered in Israel.

Mrs. Rothman stated that she attended the Varsity Awards dinner. She mentioned that there are over 90 teams, with over 1,600 students participating. Mrs. Rothman congratulated all the students that participated, their teachers and coaches, with a special thanks to Mr. Braico.

Mrs. Pierno thanked the Booster Club for hosting this event. She stated that five scholarships were given out that evening.

Mrs. Bernstein stated that she and other Board Members attended the Outgoing PTA President's Dinner. She thanked the outgoing presidents for all their work, with a special thanks to Cheryl Dender. She thanked PTA for hosting this event.

Mr. Bettan seconded Mrs. Bernstein's thoughts and added that volunteering is such a vital part of the PTA and he would like to see more parents involved in the coming year.

Mrs. Rothman attended Mrs. Dubrow's "Cultures and International Extravaganza". She said that the theme was "One World-One Dream". She spoke of the power point presentations that each student presented on a country of their choice. She stated that it was a wonderful event.

Mrs. Schulman had the opportunity to attend the pre-prom party at the high school. She said it was great to see the students dressed in their finest.

Mr. Bettan spoke of the wonderful graduation ceremonies. He feels that it is a great tribute to Plainview to see many people returning here to raise their children. Mr. Bettan made special mention of Mr. Hirsch's Jazz Band at Mattlin MS, and that it rocked the house.

### BOCES Update

Mr. Ruf gave an explanation on the BOCES Aide Process.

### Superintendent's Academic Highlights

Dr. Lewis stated that we had a wonderful school year. She commented on our enrollment which is flat for next year. She reviewed our graduation rates and discussed student participation in regard to the Common Core. She stated that all of the information will be posted on the website.

Mrs. Pierno asked if there is a choice given between Common Core and the Regents and if the tests will still be given in January.

Dr. Lewis stated that there will still be a choice this year in English and that they will be administrating the exam in January.

Mr. Bettan asked if we are going to give both tests, can we do them in June.

Ms. Gierasch stated that they would have a conversation involving the teachers, in regard to doing both exams in June.

Mrs. Schulman asked about the Common Core math scores for the special needs students.

Dr. Lewis said that they will have a full report in the fall.

Mrs. Pierno stated that the results were excellent and thanked the students' and staff.

Dr. Lewis applauded the faculty on their enormous efforts towards the students' success, as well as the Board for giving us the necessary resources.

### Public Participation

Mr. Jacque Wolfner congratulated the new officers of the Board and wished everyone a great scholastic year. He asked for a full discussion on several agenda items.

Ms. Stefanie Nelkens asked for details regarding a few agenda items. She expressed her concerns in regard to Common Core, parent meetings and curriculum writing in the subject of geometry. She also wanted to know if materials will be ready for September.

Ms. Gierasch stated that Dan Drance is a consultant who worked with the teachers last week. She stated that the partnership between the teachers and Mr. Drance went very well. He will be returning a few times during the year and unfortunately the teachers will have to be pulled from class. She added there will be curriculum writing done over the summer and the information will be presented to the Board shortly. In regard to materials, she stated that “yes” there will be some materials available in September.

Mr. Bettan asked if they are in a better place with regard to geometry than they were last year with algebra.

Ms. Gierasch stated that last year was not as “bleak” as some made it out to be. She said that while there are more materials out there as resources, they need to sift through them due to the fact that some vendors are just stamping Common Core onto the materials.

Dr. Lewis acknowledged that they will be ready to go for September.

Ms. Paula Barsky representing PTA Council congratulated Mr. Bettan and Mrs. Schulman and hopes for a great school year.

Dr. Lewis noted that Ms. Barsky is now the PTA Vice President and Kathy Rea is the new PTA Council President. She is looking forward to working with them both.

Mr. Bettan congratulated Dr. Eagen on his new position as Superintendent of Kings Park Schools and presented him with a plaque.
