

Superintendent's Highlight of the Week

May 26, 2016

This week we highlight another event that demonstrates why our POB schools are so highly valued. This past weekend our POBJFK HS Boys and Girls Track teams, and coach Justin Carey, collaborated with POB SEPTA to host the POB SEPTA and Booster Club's Track and Field Day.

Students in all grades were invited to participate in races, obstacle courses, and other track & field events. There were about 50 students in grades K-8, as well as the Challenger Baseball team participating in events such as, shot put, discus, high jump, long jump, and 50m dash. Over 100 of our high school boys and girls varsity track team members and coaches Justin Carey and Jordan Pekor ran the events. Each participant was partnered with a high school athlete for the day to guide them in each event.

Families enjoyed BBQ and snacks, provided by SEPTA the Booster club, as they were entertained by the champion twirling team from Dynamics Baton Twirling.

The day ended for each athlete with the running of an obstacle course.

All participants were winners as the students were awarded medals and shirts to remember this special family day.

Thank you to SEPTA, Booster Club, high school athletes and coaches for making this such a memorable experience for our students.
