

Mattlin is Our School, Our Home Away From Home

Our Mattlin PRIDE PLEDGE

I agree to **STAND UP** and take a leadership role in supporting my peers' ideas of how we want our school to be.

I will ...

★ *Respect everyone and know that EVERY PERSON COUNTS.*

★ **Do the right thing**...whether or not someone is looking.

★ Think about ***how someone else will feel*** before I say something.

★ **NOT** take my problems out on somebody else.

★ **WORK TOGETHER** to make a difference.

★ *Communicate with Kindness.*

Promise to stand up for all people.

Lead others to do the right thing.

Everyone is special in his or her own way.

Defending someone in need can make us strong.

Get other people to stand up and be strong.

Each person can make a difference.
