

POB Schools

Instructional Technology Parent/Guardian Guide

TOPIC:

Steps for your child to access and join his/her Google Classroom(s)

STEP 1: Navigating to Google Classroom

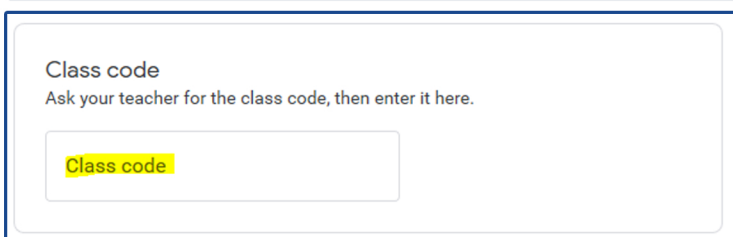

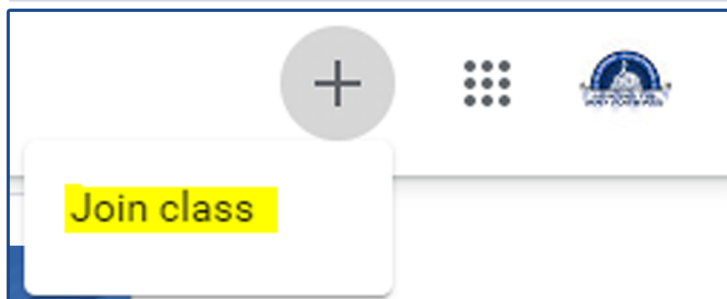

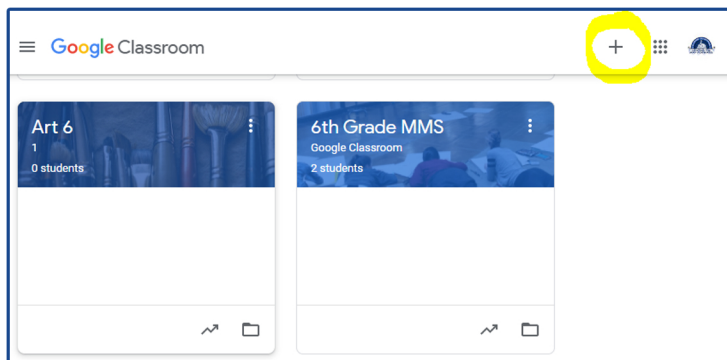

From a Chromebook:

- 1) Open the Chrome web browser
- 2) Locate and click the 'WAFFLE' menu in the upper right corner of the browser
- 3) Locate and click on the Google Classroom icon

From a personal device/tablet/computer

- 1) Open any web browser (*Google Chrome, Safari, Edge, etc.*)
- 2) Go to: **www.classroom.google.com**
- 3) Sign-in if necessary using your child's POB email and password

STEP 2: Joining a Google Classroom

Once you have successfully navigated to the Google Classroom main page, instruct your children to locate the + sign in the upper right corner of the page.

- 1) Click on the + sign
- 2) Click 'JOIN CLASS'
- 3) Enter the Google Classroom CODE provided by your child's teacher, or found on Infinite Campus.
- 4) Repeat this process to join multiple Google Classrooms

For additional parent/guardian technology support and help topics, please visit our 'Parent/Guardian Technology Help' webpage.

The website can be found in the 'Families' drop-down menu bar option while visiting www.pobschools.org.
