Dear Students, Parents and Guardians:

May 21, 2020

First, I hope this correspondence finds you and your family safe and healthy. As our current reality continues to progress, it is necessary for POB JFK High School to share our plan for students to drop off materials and pick up their personal belongings to close out the 2019-2020 school year. Our goal is to do so in the most responsible manner possible to ensure the safety and well being of our students, staff and community members. We request your help and cooperation to carry out this plan.

Between **Tuesday, May 26, and Thursday, June 11**, students will be scheduled alphabetically to return school property to the Gym and retrieve personal property from their **P.E. & personal lockers**. They will be asked to do so according to the attached schedule to establish appropriate social distancing. School materials to be returned include textbooks, library books, novels, Art equipment, cameras, instruments, marching band uniforms and **chromebooks** (12th graders only). **Additionally, Seniors will be picking up their Caps and Gowns as well as artwork from designated stations within the Gym.**

**Chromebooks and calculators for grades 9-11 will be kept by students until next year. Seniors will be returning their Chromebooks and calculators, unless needed for 4th Quarter Assessments.** Please be reminded the full replacement cost of the chromebook and calculator will be charged to Senior student's parents/guardians if the chromebook and charger are not returned by the designated make-up dates. A later drop-off date for Senior chromebooks and calculators will be determined and shared. **Seniors will also be returning Musical Instruments and Marching Band Uniforms to the front lobby as they enter the Main Entrance.** For parents driving their children or students driving themselves, we ask that you **park in the student parking lot ([click here for parking plan](#))**, maintaining proper social distancing. As we are limiting the amount of people in our school, **parents will ONLY be permitted to enter the building if they are picking up medication** from the Nurse's office in conjunction with their child's scheduled appointment. Parents must bring and wear a mask / gloves while on campus. **Please [click here](#) to print and fill out the medication pick-up form, which will be required to retrieve medications.**

Students will be asked to line-up on the sidewalk, maintaining appropriate distance from each other, with the assistance of security, and use the Main Entrance. **For the safety of all, staff and students will be required to bring and wear a mask / gloves during their time on campus.** Students will enter the Gymnasium ([click here for Gym setup](#)) under the supervision of administrators and aides, to turn in all assigned school material and submit their completed "Student Inventory Sheet". **Students are asked to [click here](#), print and completely fill out this sheet at home, saving time and reducing the need to prolong their building visit.**

Upon completion of handing in school materials, students will be directed to gather belongings from their P.E. and personal lockers, quickly and efficiently. They will be monitored by staff in the halls to eliminate congregating in groups. Once all belongings have been cleaned out of students' lockers, **students will exit the Social Studies wing of the building and responsibly return to their cars, maintaining social distancing, and exit campus.** Closely following this schedule and procedure will safeguard your child and other members of our community and allow for efficient processing of materials.

We ask that you adhere to these times and dates and notify building administration of any conflicts or additional information about your specific child. **Make-Up's will be scheduled for Thursday, June 11, 1:00 pm - 3:00 pm and Monday, June 15, 8:00 am - 12:00 pm.** To schedule an appointment for a make-up date, please call the Main Office at 516-434-3125. If you have any questions, please feel free to email me at [mcestaro@pobschools.org](mailto:mcestaro@pobschools.org).

Sincerely,

*Michael Cestaro*
