## A MESSAGE FROM THE SUPERINTENDENT

Welcome to the 2022-23 school year! I hope the summer has provided you time to enjoy your family and friends, time to rest, reflect, and set some goals for the upcoming school year. Our team is extremely excited to begin this school year after a spring and summer setting new goals and intentions for our students and our staff.

Our theme for 2022-23, *Every Student Matters, Every Moment Counts*, captures the spirit of the goals we have set for ourselves this year. These goals, supported by our Board of Education and communicated in a soon-to-be adopted POB Strategic Plan, illustrate the laser-focus we will have on academic excellence and opportunities for success - mental, social and emotional wellness, connections and collaboration, and finance and facilities.

Reflecting on the 2021-22 points of pride assure us our students are heading into another outstanding year. Students in the research program at POBJFKHS were honored with local, national and international awards; our musicians performed throughout the year and saw impressive results at NYSSMA; POB Schools earned another *Best Communities for Music Education* award from NAMM; and all POB Schools once again were awarded the *No Place for Hate Schools* distinction. We are also proud for earning the Sandy Hook Promise *Start with Hello District Award* which recognized all of our elementary schools' work around kindness, inclusivity, and connectedness.

Please look through the calendar and note events in which you would like to participate. Each month provides opportunities for our school community to come together. The QR code on the calendar brings you to the online version of the calendar that will be updated regularly.

Wishing you and your family a happy, healthy, and rewarding school year.

Sincerely,  
Dr. Mary T. O'Meara

## Our School District

In 2022-2023, the Plainview-Old Bethpage Central School District will operate one high school, two middle schools and four elementary schools, with an approximate enrollment of 5121. Of the school system's employees, approximately 567 are professional staff, and 450 are support staff.

## Our Mission Statement

The mission of the Plainview-Old Bethpage Central School District is to prepare civic-minded students to productively participate in a diverse and ever-changing world as self-directed, confident, curious, respectful and empathetic learners.

We do this by providing the necessary resources and support to:

- create a safe, inclusive environment where all students feel a sense of belonging;
- meet each student's social, emotional, academic, and physical needs; and,
- engage our learning partners in active collaboration and communication.

## Our Education Program

The Plainview-Old Bethpage educational program reflects the District's commitment to excellence by providing all students access, opportunities and experiences that reflect both the District's Mission Statement and the POB Profile of a Graduate. The District's partnership with distinguished colleges and universities, including Columbia Teachers College, Hofstra University, Stony Brook University and Long Island University along with research-based programs used in our elementary academic programs, ensures a rich and responsive experience that sets a firm foundation upon which our students' futures are built.

This 2022-23 education program includes strategic attention to students' social and emotional well-being which includes Harmony, our K-8 SEL program. The District maintains its partnership with Northwell Health for additional mental health and well-being support for our students and their families.

The 2022-23 school year will see our elementary students continue their STEM exploration with visits to the Discovery and Innovation Labs. Also, the K-8 program has been enhanced with digital citizenship and coding curriculum which supports the District Mission to give students the skills to productively participate in society. Finally, our social skills curriculum has infused the concept of civics and civic participation at all levels K-12 to ensure our students understand the role we all play as informed citizens.

The District's investment in the professional growth of our teachers and administrators ensures students are working with talented and knowledgeable professionals. Our staff's participation in professional organizations, along with their advanced degrees allow the Plainview-Old Bethpage Central School District to ensure that our students receive exceptional instruction development, coupled with the incredible support of our learning partners, is what makes the Plainview-Old Bethpage Central School District a distinguished District where our students thrive.

## Our Budget

The school budget is reviewed and approved by the Board of Education and submitted to district voters after public hearings. Qualifications for voting and registration are made public in advance through school district publications distributed to all residents. Our Budget Vote will take place on May 16, 2023. Any questions regarding our budget should be directed to Dr. Christopher Dillon at (516) 434-3050.

## The 6-Day Cycle

Our elementary school operates on a 6-day cycle for "specials". This means that your child will attend art, music, library, language, and physical education classes once (except for physical education which meets twice) every 6 days. For example, your child's schedule might look like this:

- Day 1 – Art
- Day 2 – Library
- Day 3 – Physical Education
- Day 4 – Music
- Day 5 – Language
- Day 6 – Physical Education

The schedule of days is noted on this calendar.

**September 2nd is Day 1.** September 6th is Day 2, etc. Only days in which school is in session are so designated. If schools are closed because of snow, the days will continue as printed in the calendar. For example, if schools are closed for snow on Day 3, when school resumes the next day it will be Day 4. The Make-up snow day would be Day 3.

## Student Registration

Student registration is an **ONLINE** process. All requirements related to student registration are located on the [www.pobschools.org](http://www.pobschools.org) home page/quick links or by choosing the Central Registration tab under District Offices. You may contact the Registrar via email at [registration@pobschools.org](mailto:registration@pobschools.org) or by calling 516-434-3074. Kindergarten registration begins on January 1 for all students who are five years old on or before December 31. The kindergarten registration process begins by completing a Census Form available on the district's website.

## Transportation

All K-12 students are eligible for bus transportation. *Bus Assignments, Bus Stop Locations and Schedules*

Bus assignments, bus stop locations, and pick-up/drop-off times as well as late bus schedules are obtained by accessing the Parent Portal. Private/parochial and out-of-district students will receive transportation schedules via US mail. Students are not authorized to use any bus other than their assigned bus and are expected to be at their assigned bus stop 10 minutes prior to pick-up. Transportation is arranged to and from each student's primary residence only.

*Transportation Applications to Private & Parochial Schools Due April 1*

In accordance with New York State Education Law and Board of Education policy, all requests for transportation of students to private and parochial schools must be submitted no later than April 1 for the following school year. Transportation requests are made electronically through FamilyID. Paper applications are no longer accepted. To make a transportation request or for information on how to set up a FamilyID account, please visit the district website at: District Offices/Student Services & Safety/Transportation/Private Parochial School Information. Applications must be submitted for each student. Transportation authorization is not automatic or continuous from one school year to the next. The parent of a student(s) who plans to apply to private or parochial school(s), or who has applied and is awaiting acceptance, should apply for each school their child(ren) expects to attend. New York State Education Law and Board of Education policy is to provide transportation to private and parochial schools no more than fifteen (15) miles from the student's home.

## Student Activities

A wide range of planned activities that take place outside of regular school hours is available to students according to their interests and abilities. Such activities include sports, debates, plays, clubs, musical performances, social events, and additional clubs organized as student interest indicates the need. Information on such activities is available from individual schools, and where applicable, activities are described in student handbooks and on our website. Please check back regularly for updates.

## Students' Record Policy

*Board of Education policies 4321.5; 5500; 5500-R; & 5500-E.1 address student records and privacy.*

Parents and eligible students who are 18 years of age or older have the following rights under the Family Educational Rights and Privacy Act (FERPA). These include the right to:

1. Be informed about the Family Educational Rights and Privacy Acts rights.
2. Inspect and review the student's education record.
3. Exercise a limited control over other peoples' access to the student's education record.
4. Seek to correct the student's educational record, in a hearing, if necessary.
5. Report violations of the Family Educational Rights and Privacy Act to the Department of Health Education and Welfare.

Under the Family Educational Rights and Privacy Act, no personally identifiable information about any student, other than information classified as student directory information (i.e. name, address, grade, school, photographs) may be released to a particular person or agency without the written consent of the parent. A parent who wishes to restrict access to directory information must inform the principal in writing no later than November 1st each school year. In the absence of such a request, directory information will be made available to an outside group upon the principal's or district's discretion, including the posting of student pictures on the school district website. However, parental consent is not required for disclosure of any student records to school officials

with legitimate educational interests. In addition, upon request of another school district in which the student seeks to enroll, the district will disclose education records.

FERPA also enables parents of students to review, obtain copies (for a reasonable fee) and challenge the accuracy or fairness of the students' educational records. Information regarding specified procedures to obtain access to educational records can be obtained through the office of each school or from the Assistant Superintendent for Human Resources. Complaints regarding the district's failure to make records available or to respond adequately to challenges about accuracy or fairness should be forwarded to the Superintendent's office. Subsequent complaints may be filed in writing to The Family Policy Compliance Office, US Dept. of Education, 400 Maryland Ave., SW. Washington, DC 20202-5901.

## Code of Conduct – BOE Policy #5300

*Please note that our Code of Conduct reflects the most recent New York State changes to the Dignity for All Students Act. Please check our website at <http://www.pobschools.org/domain/462> to access information on the Dignity for All act.*

The Board of Education ("Board") is committed to providing a safe and orderly school environment where students may receive, and district personnel may deliver quality educational services without disruption or interference. Responsible behavior by students, teachers, other district personnel, parents and other visitors is essential to achieving this goal.

The district has a long-standing set of expectations for conduct on school property and at school functions. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, empathy, honesty, and integrity.

In accordance with the Dignity for All Students Act and the District's Dignity for All Students Act Policy 0115 and Regulation 0115R, students have a right to be free from harassment, bullying, including cyberbullying and/or discrimination, including but not limited to harassment, bullying, including cyberbullying and/or discrimination based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender/gender identity or sex, by school employees or students on

school property, at a school function and/or off school property where such harassment, bullying, including cyberbullying and/or discrimination creates or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation or abuse might reach school property.

The Board recognizes the need to clearly define these expectations for acceptable conduct on school property, at school functions, or off school property where such conduct creates or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation or abuse might reach school property, to identify the possible consequences of unacceptable conduct, and to ensure that discipline when necessary is administered promptly and fairly. To this end, the Board adopts this Code of Conduct (“Code”).

Unless otherwise indicated, this Code applies to all students, school personnel, parents and other visitors when on school property or at a school function.

### **Student Rights & Responsibilities**

The district is committed to safeguarding the rights given to all students under state and federal law and district policy. In addition, to promote a safe, healthy, orderly, and supportive school environment, all district students have the right to:

1. In accordance with the Dignity for All Students Act, the District’s Dignity for All Student Act Policy 0115 and Regulation 0115R, be free from harassment, bullying, including cyberbullying, and/or discrimination by school employees or students including but not limited to harassment, bullying, including cyberbullying, and/or discrimination based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender/gender identity or sex.
2. The opportunity to take part in all district activities free from harassment, bullying, including cyberbullying, and/or discrimination by school employees or students including but not limited to harassment, bullying, including cyberbullying, and/or discrimination based on a person’s actual or perceived race, color, weight, national origin,

ethnic group, religion, religious practice, disability, sexual orientation, gender/gender identity or sex.

3. Present their version of the relevant events to school personnel authorized to impose a disciplinary consequence in connection with the imposition of a penalty.
4. Access school policies, regulations, and rules and, when necessary, receive an explanation of those rules from school personnel.
5. Nothing herein shall be construed to prohibit a denial of admission into, or exclusion from, a course or instruction based on a person’s gender that would be permissible under Education Law Sections 3201a or 2854(a) and Title IX of the Education Amendments of 1972 (20 USC Section 1681, et seq.) or to prohibit, as discrimination based on disability, actions that would be permissible under Section 504 of the Rehabilitation Act of 1973 and/or the Americans with Disabilities Act.

### ***All District students have the responsibility to:***

1. Contribute to maintaining a safe, supportive and orderly school environment that is conducive to learning, show respect to other persons and to property, and refrain from any act of harassment, bullying, including cyberbullying, and/or discrimination including but not limited to any act of harassment, bullying, including cyberbullying, and/or discrimination based on actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender/gender identity, or sex.
2. Be familiar with and abide by all district policies, rules and regulations dealing with student conduct.
3. Attend school every day unless they are legally excused and be in class, on time, and prepared to learn.
4. Work to the best of their ability in all academic and extracurricular pursuits and strive toward their highest level of achievement possible.
5. React to direction given by teachers, administrators, and other school personnel in a respectful, positive manner.
6. Work to develop mechanisms to control and manage their anger.

7. Ask questions when they do not understand.
8. Seek help in solving problems.
9. Dress appropriately for school and school functions.
10. Accept responsibility for their actions.
11. Conduct themselves as representatives of the district when participating in or attending school sponsored extracurricular events and to hold themselves to the highest standards of conduct, demeanor, and sportsmanship, and comply with this Code of Conduct and district policies and rules dealing with student conduct.
12. Tell a responsible adult if one hears that another student is going to cause or has caused harm to others.

### **Student Dress Code**

The Plainview-Old Bethpage School District Dress Code expresses our commitment to learning, safety, high standards, freedom of expression, and appropriate, responsible dress for school and school functions. Attention to appearance is a reflection of care and concern for our students and our community. We have established these standards to create an atmosphere of self-respect and respect for others. It is the responsibility of our school system to prepare students for the world of work, which requires appropriate dress.

This code is designed to be a guide and is by no means all-inclusive. Final decisions concerning appropriateness of dress will be made by the building administrator.

Students in grades K-12 shall not wear the following:

1. Any clothing or apparel which
  - a. Is considered unsafe, dangerous or a health hazard.
  - b. Contains offensive or obscene symbols, signs, slogans or contains words denigrating, harassing, bullying and/or discriminating against any person, including any person’s actual or perceived race, color, weight, religious practice, ethnic group, religion, national origin, disability, gender, sex, or sexual orientation.
  - c. Contains language or symbols promoting or endorsing violence, sex, drugs, alcohol, tobacco, or vandalism.

2. Any attire or grooming disruptive to the instructional process which may include, but is not limited to:
  - a. Revealing clothing (i.e., bare midriffs, backless tops, tube tops, clothes insufficient to conceal undergarments, short shorts, short skirts, and transparent clothing);
  - b. Bare feet.
  - c. Opaque sunglasses.
  - d. Chains, dog collars, hanging chains.
  - e. Any combinations of clothing or jewelry which law enforcement agencies currently consider gang related. (These may change.)

Exceptions to the Dress Code necessitated by religious practice will be considered individually by the building administrator.

Students who violate the Dress Code shall be required to modify their appearance by covering or removing the offending item and, if necessary or practical, replace it with an acceptable item. Any student who refuses to do so shall be subject to disciplinary action up to and including in school suspension for the day. Any student who repeatedly fails to comply with the Dress Code shall be subject to further discipline up to and including out of school suspension.

Provisions of the Dress Code are applicable at all times within the school building and during all school activities. Exception or modification of a provision of the Dress Code may be authorized by the building principal for a specific school-related activity on a single event basis.

### **Prohibited Student Conduct**

*(see full list in Policy 5300 Code of Conduct)*

The Board of Education expects all students to conduct themselves in an appropriate and civil manner with regard to the rights and welfare of other students, district personnel, all members of the school community, and other individuals lawfully on school property and with regard to the care of school facilities and equipment.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences of their misbehavior. District personnel who interact with students are expected to use disciplinary action only

when necessary and to place emphasis on educating students so that the students may grow in self-discipline.

The Board recognizes the need to make its expectations specific and clear for student conduct while on school property, at a school function, or off school property where such conduct creates or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation, or abuse might reach school property. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who will not accept responsibility for their own behavior or students who violate this Code of Conducts school policies and rules and/or violate Federal, New York State, or Nassau County law will be required to accept the consequences for their conduct which may include disciplinary penalties.

*Students may be subject to disciplinary action up to and including suspension from school, when they:*

- A. Engage in conduct that is disorderly.
- B. Engage in conduct that is insubordinate.
- C. Engage in conduct that is disruptive.
- D. Engage in conduct that is violent.
- E. Engage in any on or off-campus conduct that endangers the safety, morals, physical or mental health, and welfare of others or substantially disrupts or interferes with the educational process or school environment.
- F. Engage in misconduct while on a school bus.
- G. Engage in any form of academic misconduct.

### **Reporting Violations**

All students are expected to promptly report violations of the Code of Conduct to a teacher, guidance counselor, the building principal or his or her designee. Any student observing a student or any individual on school property possessing a weapon, alcohol or illegal substance or any other substance prohibited by this Code of Conduct on school property or at a school function shall report this information immediately to a teacher, the building principal, the principal's designee, or the superintendent.

In order for the District to effectively enforce the District's Dignity for All Student's Act Policy 0115 and Regulation 0115R, it is essential that all victims and persons with knowledge of harassment, bullying, and/or cyberbullying or similar behavior report it immediately in accordance with Dignity for All Student's Act Policy 0115 and Regulation 0115.

School employees who witness harassment, bullying or discrimination, or receive an oral or written report of harassment, bullying or discrimination, must promptly orally notify the Principal, not later than one school day after such school employee witnesses or receives a report of harassment, bullying or discrimination, and must file a written report with the Principal not later than two school days after making such oral report.

All district staff who are authorized to impose disciplinary sanctions are expected to do so in a prompt, fair and lawful manner. District staff who are not authorized to impose disciplinary sanctions are expected to promptly report violations of the Code of Conduct to their supervisor, who shall in turn impose an appropriate disciplinary sanction, if so authorized, or refer the matter to a staff member who is authorized to impose an appropriate sanction. Any weapon, alcohol or illegal substance found shall be confiscated immediately, if possible, followed by notification to the parent of the student involved and the appropriate disciplinary sanction if warranted, which may include permanent suspension and referral to law enforcement authorities.

The building principal or his or her designee must notify the appropriate local law enforcement agency of those code violations that constitute a crime and substantially affect the order or security of a school as soon as practical, but in no event later than the close of business the day the principal or his or her designee learns of the violation. The notification may be made by telephone, followed by a letter mailed on same day as the telephone call is made. The notification must identify the student and explain the conduct that violated the Code of Conduct and constituted a crime.

In order for the Board of Education to effectively enforce the Anti-Bullying and Harassment Policy #0115 and to take prompt corrective measures when the policy is violated, it is essential that reports be made in accordance with that policy.

## Disciplinary Consequences

Students who are found to have violated the district's Code of Conduct may be subject to the following consequences, either alone or in combination.

1. Oral warning
2. Written warning
3. Written notification to parent
4. Detention
5. Suspension from transportation
6. Suspension from athletic participation
7. Removal/suspension from a specific social event, extracurricular activity or privilege
8. In-school suspension
9. Removal from classroom
10. Short-term (five days or less) suspension from school
11. Long-term (more than five days) suspension from school
12. Permanent suspension from school

## Discipline of Students with Disabilities

The Board recognizes that it may be necessary to suspend, remove or otherwise discipline students with disabilities to address disruptive or problem behavior. The Board also recognizes that students with disabilities have certain procedural protections whenever school authorities intend to impose discipline upon them. The Board is committed to ensuring that the procedures followed for suspending, removing or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations. This code of conduct affords students with disabilities subject to disciplinary action no greater or lesser rights than those expressly afforded by applicable federal and state law and regulations. In any instance where this Code of Conduct differs or is inconsistent with federal or state law or regulation, the federal or state law or regulation is controlling.

## Visitors to the Schools

The building principal or his or her designee is responsible for all persons in the building and on the grounds. For these reasons, the following rules apply to visitors to the schools:

1. Anyone who is not a regular staff member or student of the school will be considered a visitor.
2. Visitors are prohibited from entering any school building from any access point other than the main entrance of the school building.
3. All visitors to the school must enter through the main entrance of the building and report to the security desk or office of the principal upon arrival at the school. There they will be required to sign the visitor's register and will be issued a visitor's identification badge, which must be worn at all times while in the school or on school grounds. The visitor must return the identification badge to the principal's office before leaving the building. The District reserves the right to ask for photo identification.
4. Visitors attending school functions that are open to the public, such as parent-teacher organization meetings or public gatherings, are not required to register.
5. Any unauthorized person on school property will be reported to the principal or his or her designee. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
6. All visitors are expected to abide by the rules for public conduct on school property contained in this Code of Conduct.

## Public Conduct on School Property

The District is committed to providing an orderly, respectful supportive environment that is conducive to learning. To create and maintain this kind of an environment, it is necessary to regulate public conduct on school property and at school functions. For purposes of this section of the Code, "public" shall mean all persons when on school property or attending a school function including students, teachers, and District personnel.

The restrictions on public conduct on school property and at school functions contained in this Code are not intended to limit freedom of speech or peaceful assembly. The District recognizes that free inquiry and free expression are indispensable to the objectives of the District. The purpose of this Code is to maintain public order and prevent abuse of the rights of others. However, nothing herein shall be deemed to create an open forum or a limited open forum.

All persons on school property or attending a school function shall conduct themselves in an orderly and lawful manner. In addition, all persons on school

property or attending a school function are expected to be properly attired for the purpose they are on school property.

All persons on school property are expected to act in a courteous and respectful manner.

## Communicating with Parents

Report cards are electronically issued to elementary parents on a trimester basis. For grades 5-12, they are posted quarterly. (Please see calendar for dates). Access can be obtained through the Parent Portal. If you do not have an account, please contact the main office of your child's school for further information on access to the Parent Portal.

Parents are urged to discuss these reports with their children. When a child is experiencing difficulties, parents should contact the child's teacher and/or guidance counselor to determine the reason for the difficulties so that a plan for improvement may be developed.

In case of a school or district emergency, the district utilizes an electronic system called School Messenger to send telephone, text and email messages to parent/guardians. Please be sure your e-mail and phone numbers are up-to-date in the Parent Portal.

If you have questions or concerns, please contact the main office of your child's school.

## Attendance Policy (in-school)

(Policy 5100 – Student Attendance)

The Plainview-Old Bethpage School District is committed to the success of all its students. A critical component of academic success is coming to school on a regular, consistent basis. Students who are in school each day, all day, learn in a consistent, orderly way. They apply the knowledge they have gained one day to the new insights and understanding they will gain in the next day. A disruptive attendance pattern interferes with the continuity of instruction that is essential to the learning process. There is simply no substitute for being in class: to listen, to participate, to question, to experiment, to challenge. The stimulation of being in a classroom with other learners, guided by a knowledgeable, insightful teacher, is at the core of a sound education. Learning builds day by day, and consistent attendance is vital to make learning meaningful.

In order to encourage students to achieve excellence

in their attendance habits, and thereby provide themselves with the best opportunity to succeed in school, the Board of Education has adopted the following attendance policy.

In accordance with New York State Law, the Board of Education requires that students attend school full time from the age of six (6) years old until the last day of the school year in which they turn sixteen (16), unless the student has completed an approved four-year high school course of study.

The following is a summary of the District's attendance policy. The full text is available from your school principal, or on the District's website:

<https://www.pobschools.org/cms/lib/NY01001456/Centricity/Domain/1/Attendance%20Policy%205100.pdf>

### **Excused and Unexcused Absences**

If a student is absent from school for all or part of the school day, the student must provide a reason for the absence to the building principal or his/her designee. The building principal or his/her designee shall then determine whether the absence is considered excused or unexcused.

#### Excused Absences

**A. The District recognizes the following absences as “excused” absences:**

- Family death, illness, or emergency
- Student illness
- Chronic/extended Illness
- Pre-arranged appointments with the court, social service agencies or other state agencies as well as appointments with health care providers that cannot be scheduled outside school hours.
- Religious observances, exclusive of religious instructions
- Approved college visits (with documentation)
- Exceptional circumstances: The principal may approve a pre-arranged absence where the absence from attendance is in the best interests of the student and his/her family. Approval for such absences must be requested of the principal in writing. In extenuating circumstances that are supported by adequate documentation, the principal may approve an exceptional circumstance after it has occurred.

### **B. Documentation of Absences**

Absences for any of the aforementioned reasons may be considered excused by the building principal or his/her designee upon receipt of a written, signed explanation from the student's parent(s)/person(s) in parental relation, together with any supporting documentation that may be required. This information should be submitted to the school immediately by the student or parent/person in parental relation upon return from his/her absence and in no case later than five (5) school days upon the student's return.

### **C. Make-up Work for Excused Absences**

Students with properly excused absences will be given the opportunity and are expected to make up all missed work. It is the responsibility of students to arrange Make-up Work/tests with their teacher. The Plainview-Old Bethpage Board of Education, in order to provide a safe and healthy environment where students learn, has adopted a policy prohibiting dangerous instruments and weapons in school.

Dangerous instruments, firearms, chemicals, explosive devices or weapons are prohibited from school grounds, buildings, buses and field trips.

A weapon is any instrument capable of inflicting bodily harm, such as, but not limited to, Swiss army knives, pen knives, razor blades, switchblade knives, gravity knives, pilum ballistic knives, cane swords, electronic dart guns, chukka sticks and Kung Fu stars.

Any student found guilty of bringing a firearm onto school premises shall be suspended for a period of not less than one calendar year, subject to review by the Superintendent. In addition, he/she shall be referred to the appropriate criminal justice or juvenile delinquency authorities.

Plainview-Old Bethpage is a substance free district in which the use of alcohol, smoking and vaping are prohibited in all school buildings and on school grounds. Therefore, no person may use, possess, sell, or distribute alcohol or other substances, nor may use or possess or distribute drug paraphernalia, including e-cigarettes and other vaping apparatus on school property or at school sponsored events, except drugs as prescribed by a physician. ## Statement on Sexual Harassment

The Board of Education recognizes that harassment of students and staff on the basis of sex, gender (including gender identity and expression) and/or sexual orientation is abusive and illegal behavior that harms targets and negatively impacts the school culture by creating an environment of fear, distrust, intimidation and intolerance. The Board further recognizes that preventing and remedying such harassment in schools is essential to ensure a healthy, nondiscriminatory environment in which students can learn and employees can work productively.

Sex-based harassment can be comprised of two types of behavior: sexual harassment and/or gender-based harassment. Sexual harassment is unwelcome conduct of a sexual nature, which can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature (see regulation 0110-R for examples). Gender-based harassment includes verbal, nonverbal or physical aggression, intimidation or hostility that is based on actual or perceived gender (including gender identity and expression) and sexual stereotypes (see regulation 0110-R for examples). Sexual or gender-based harassment of a student can deny or limit the student's ability to participate in or to receive benefits, services, or opportunities from the school's program.

The Board is committed to providing an educational and working environment that promotes respect, dignity, and equality and that is free from all forms of sexual harassment. To this end, the Board condemns and strictly prohibits all forms of sexual harassment on school grounds, school buses and at all school-sponsored activities, programs and events including those that take place at locations outside the district.

Because sexual harassment can occur staff to student, staff to staff, student to student, student to staff, male to female, female to male, male to male, or female to female, it shall be a violation of this policy for any student, employee or third party (school visitor, vendor, etc.) to sexually harass any student or employee.

In order for the Board to effectively enforce this policy and to take prompt corrective measures, it is essential that all targets of sexual harassment and persons with knowledge of sexual harassment report the harassment immediately. The district will promptly investigate all complaints of sexual harassment, either formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner. Limited disclosure may be necessary to complete a thorough investigation. If the complainant reports that they feel unsafe at school due to the nature of the complaint, the district will determine if accommodations need to be made until the issue is resolved.

If, after appropriate investigation, the district finds that a student, an employee or a third party has violated this policy, prompt corrective action will be taken in accordance with the applicable collective bargaining agreement, district policy and state law.

All complainants and those who participate in the investigation of a complaint of sexual harassment have the right to be free from retaliation of any kind.

If you believe you have been subjected to or witnessed sexual harassment, you are encouraged to report the harassment to a principal, supervisor, or Title IX coordinator so we can take action.

Our complete policy and complaint form can be found on the District website. [www.pobschools.org](http://www.pobschools.org)

Our elementary physical education program is designed to reinforce and build upon the foundation of concepts in body and space awareness which will be developed through locomotor and non-locomotor physical activities. ## Emergency School Closings

In the event that schools are closed or delayed in opening because of inclement weather or other emergencies, in addition to a message post on the District website and our Facebook page, Channel 12 News will be notified.

## Delayed School Openings

*(Inclement Weather or Emergency Conditions)*

In the event of inclement weather or emergency conditions, the Superintendent of Schools determines whether schools will be closed or there will be a delayed opening of schools.

If it is determined that conditions will improve sufficiently to allow for the arrival of staff and students, the Superintendent may authorize a two-hour (or three-hour) delay in the start of the school day. This alternative to closing schools permits greater flexibility in meeting the 183-day minimum session requirement.

A delayed opening schedule means the following:

1. Classes will start later than normal (see details below) and transportation will be provided two or three hours later than the normal pickup for all district and private schools.
2. Staff, apart from Buildings and Grounds and custodial personnel, will report as soon after normal arrival time as possible, but no later than the delayed starting times noted below.
3. In the event of a delayed opening, parents and staff will be notified via School Messenger.
