August 28, 2020

Dear POBOT Families,

We hope that you and your family are well.

As you can imagine, the 2020-2021 POBOTS season will look very different than the past. As of today, we have not received any details from FIRST on how the competition year will run. They have indicated on their website that more information will be available in September.

Once we return to school, the faculty advisors will organize a virtual meeting with the executive board first and then with the team. We know the students are eager to get moving. Please understand in the current climate, all club interaction must be virtual.

We have created a google form to submit any questions. This will enable us to provide everyone with answers as they become available.

Questionnaire Link: <https://forms.gle/2jNiDsGsTk5J2HCa7>

Sincerely,

Phil Caputo  
Faculty Lead Team Advisor

Chris Weilbacher  
Faculty Team Advisor

Joyce Barry  
Science, Research and Technology Chair K-12
