March 15, 2019

Dear Parents or Guardians,

On May 2nd and 3rd, 2019, Plainview-Old Bethpage Middle School will administer the New York State assessment in English Language Arts. This untimed assessment will assist us in providing the best educational experience for him/her.

The test format is as follows:

2019 GRADE 5 MATHEMATICS TEST

Day 1, Session 1	30 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 1.)
Day 2, Session 2	8 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 2.) 6 short-response questions and 1 extended-response question (Students write answers directly in their Session 2 booklet.)

2019 GRADE 6 MATHEMATICS TEST

Day 1, Session 1	31 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 1.)
Day 2, Session 2	7 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 2.) 7 short-response questions and 1 extended-response question (Students write answers directly in their Session 2 booklet.)

2019 GRADE 7 MATHEMATICS TEST

Day 1, Session 1	33 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 1.)
Day 2, Session 2	7 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 2.) 7 short-response questions and 1 extended-response question (Students write answers directly in their Session 2 booklet.)

2019 GRADE 8 MATHEMATICS TEST

Day 1, Session 1	33 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 1.)
Day 2, Session 2	7 multiple-choice questions (Students record their answer choices by darkening the circles on their Answer Sheet 2.) 7 short-response questions and 1 extended-response question (Students write answers directly in their Session 2 booklet.)

Students will sit for these assessments with their Math classes on **Thursday, May 2nd and Friday, 3rd** . Your child's Math teacher will announce and regularly remind students of the days and times of the assessment. As always, testing modifications and accommodations will be provided for all students requiring them.

If you have any questions or concerns, please contact the Main Office.

Sincerely,

Alice Bowman
Principal
