What is Journalism Club?

What is Journalism Club? Journalism Club is a club at Pasadena where students write about what is happening at school. For example, this slide is about what we do at Journalism Club and what it is about. Everybody has a different topic, and they have a group of people working with them. For example, this group is made of 7 people.

What is a Journalist?

Have you ever wondered what a journalist is? A journalist is someone who writes about an important event that happens in a place or in life. Right now in fourth grade at Pasadena, we are being journalists writing about what's going on in our school. Other journalists could be writing about something in life! For example, the Thanksgiving Parade is a story that a journalist might write about. As you can see, a journalist has a very important job.

Where you get your ideas from

You get your ideas from the school. For example, if you were in class and your teacher said something that you are interested in you might want to write about it. You can put your ideas on a post it and bring it to the journalism club.

Also, things happen every day at school. You can write about that too.

Sometimes you get ideas from the assemblies and class curriculum too.

When do we meet?

We meet every day four and day six at rec time.

We meet for about 25 minutes.

You don't always have to come. If it is a really nice day you can choose to do out an play.

We love the Journalism Club because it gives you another choice at rec time.

How fun is it?

Journalism Club is amazing and it is also really fun. If you want to join the club you have to be in fourth grade. It is so much fun because you get to pick anything you want to write about at Pasadena. It is also really fun because you get to pick your own group to work with. It is the best time ever and you get to talk with your friends while you work on your slide. It is the best your going to have the best time making your slide. When you join the journalism club. It's AWESOME! And, best of all, Mrs. Heitner and Mrs.Ropke are the advisors!
