II. Old Business	<p>Meeting began with reviewing the minutes from our last meeting. Contractors came around on Tuesday 12/5/17 to measure for new doors. Mrs. Pavic said the PTA voted on the No Place for Hate bracelets and the majority said yes ! They will most likely be ordered this week.</p>
III. New Business	<p>Mrs. Pavic bought an umbrella that tilts for the courtyard and Mrs. Goetz said she would donate a second one to block the sun when there are classes outside. SEL: Mrs. McAuliffe had an idea about getting t-shirts that say “CHOOSE KIND” and possibly add # No Place for Hate and some or all of the proceeds will be donated to a bullying group TBD. Mrs. Gray told us proposal for construction of new rooms has been postponed. Construction will probably not start until April 2018. In October Mrs. Gray collected data regarding lunch purchases per grade, and collected data regarding time of purchases. Times ranged from students having 4-7 minutes left to eat, after purchases. As of January there will be 2 third grade classes joining the fourth grade, and two third grade classes joining the second grade. Kindergarten and first grade will both eat with their own grades instead of together. Mrs. Curtis sent out letters about the Hour of Code for December and students who complete their hour will get a certificate for 1 free kids meal at Moe’s. Physical Plant: Masonry work on the caps of the canopy is almost complete. The new doors will now be installed February or March 2018.</p>
