CENTER FOR HUMANITIES & HISTORY OF MODERN BIOLOGY

ELLEN BRENNER MEMORIAL SUMMER INTERNSHIP FOR HIGH SCHOOL STUDENTS

The Ellen Brenner Memorial Internship was established in 2020 in memory of Ellen Brenner, who was a CSHL librarian and integral member of the lab community for nearly a decade. In her role supervising library volunteers, Ellen worked with many high school students, cultivating their interests in science and libraries.

The Ellen Brenner Memorial Summer Internship offers a stipend to Long Island high school students to work on a mentored summer project at CSHL Library and Archives. Experienced librarians and archivists at CSHL will serve as mentors to the interns.

Two Ellen Brenner Memorial Internships will be awarded each year, with a stipend of up to \$1680 each.

We invite applications from high school students who are interested in the history of science and/or life sciences and desire hands-on experience in a scientific research library or archives.

- Application deadline: **April 30, 2024**
- Open to students in 10th, 11th and 12th grades
- Ability to work part-time for 6 weeks or full-time for 3 weeks during the summer break.

APPLY FOR THE 2024 SUMMER INTERNSHIP:

Scan QR code for complete details, including eligibility, award terms and application.
