

**5500-E.1 – Family Educational Rights and Privacy Act (FERPA):  
Notice Regarding Access to Student Records and Student Information**

Dear Parent or Eligible Student:

This is to advise you of your rights with respect to student records pursuant to the Family Educational Rights and Privacy Act (FERPA). FERPA is a federal law designed to protect the privacy of student records. The law gives parents and students over 18 years of age (referred to in the law as “eligible students”) the following rights:

1. **The right to inspect and review the student’s education records within 45 days of the day the district receives a request for access.** Parents or eligible students should submit to the Building Principal a written request that identifies the records they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. **The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading or otherwise in violation of the student’s privacy rights under FERPA.** Parents or eligible students may ask the district to amend a record by writing the Principal, clearly identifying the part of the record they want changed, and specifying why it should be changed. If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. **The right to provide written consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.** One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of protected information from education records; (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll

or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.** The Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
600 Independence Avenue SW  
Washington, DC 20202-4605

## **NOTIFICATION OF DIRECTORY INFORMATION DESIGNATIONS**

In addition to the rights outlined above, FERPA also gives the school district the option of designating certain categories of student information as "directory information." Directory information includes a student's name, ID number (including user ID or other unique personal identifier used by a student for purposes of accessing or communicating in electronic systems, but only if the ID cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the student's identity), address, telephone number, dates of attendance, grade level, photograph, e-mail address, and enrollment status.

You may object to the release of any or all of this "directory information." However, you must do so in writing within 10 business days of receiving this notice. If we do not receive a written objection, we will be authorized to release this information without your consent. For your convenience, you may note your objections to the release of directory information on the enclosed form and return it to the Building Principal.

## **OTHER DISCLOSURES**

FERPA permits the disclosure of personally identifiable information from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose personally identifiable information from the education records of a student without obtaining prior written consent of the parents or the eligible student:

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.  
(§99.31(a)(1))

- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))

Sincerely,

*Gregory Scesney, Principal*
