 - New intercom system put in over the summer – working out the kinks.
 - Testing lockdown announcement after children leave school today (10/2/19). Loudspeaker malfunctioned during 9/12/19 lockdown due to wire not being connected.
 - All scheduled security updates completed and up to code. Mr. Scesney is meeting with Chris Donarummo once a month to get updates
- Summer Work
 - Parts of new roof were installed.
 - Masonry work was completed on side of building
 - Mason work in the library has been delayed – cracking in walls need to be fixed.
- Homecoming
 - Mrs. Clampitt will discuss making a banner with Mrs. Fizz for the Homecoming Parade. Would like every class to help create the banner during art class.
- Supporting Our Families In need
 - Committee will think about ways to address any families who do not have the monetary means to participate in PTA or school events. PTA has offered to anonymously support any families for said events. School administration will work on a letter to be sent. It was suggested that we work with Mrs. Dempsey to help co-write the letter.
- New Business
 - The plaque and rock in memory of Mrs. O’Heir is complete. JJP is coordinating with Buildings and Grounds to have the them cemented under the tree in the playground. The plaque and rock were paid for by last year’s 4th Grade carnival proceeds. A ceremony will take place later this school year.
