

Dear Third Graders,

Welcome to Room 18! I am so excited to have the opportunity to learn with you this year and can't wait to meet you on the first day of school. Teaching third grade at Pasadena is going to be so much fun. I am looking forward to an exciting year of learning and laughter. We will read like detectives, go on many adventures, and write like investigative reporters. We will work on becoming fluent mathematicians, scientists, and study history to help us learn and grow. Please work on your multiplication facts and be ready to read and write more than you ever have! This is going to be an incredible learning journey! I am so excited to experience this adventure with you. Enjoy the rest of your summer! I look forward to seeing your smiling faces.

Your Teacher,

Mr. LeRea
