My name is Susan Marinos, and I am the general manager for Applebees on South Broadway in Hicksville. I have job openings at the restaurant (to go server and host). These positions are a great introduction to the restaurant world. We work around college schedules. If you have seniors that will be eighteen this year, we would love to interview them.

I appreciate your help. If you have any questions or concerns, feel free to call me at 516-932-3780. If I am not in, please leave your number or ask to speak to the manager on duty. Our stores always have a manager on duty and our store has a great clientele.
