How to Use the Infinite Campus Parent Portal

A Quick Reference Guide

Welcome to the Infinite Campus (IC) Parent Portal Quick Reference Guide! The IC Parent Portal puts school information at your fingertips with real-time access to your child's announcements, assignments, attendance, grades and report cards, schedules, and more! The Campus Parent Portal is designed specifically for parents and is optimized for use on mobile devices and tablets.

How to Use your Parent Portal

Once logged in, within Campus Parent Portal, use the navigate menu bar on the left to help navigate the portal. On mobile devices, this menu shrinks to a "hamburger" or "three bars" icon to save space.

The home page of Campus Parent collects the most important items needing parents' and guardians' attention for all their students and makes helpful information easily accessible. If you have multiple children enrolled at POB, selecting and clicking on any one child(s) name will display information pertaining to that child.

Your child or children will be displayed along with school announcements. The left navigational menu will display information pertaining to your children of that selected child.
