WAKE UP TO E-STEAM

E-STEAM Registration for Fall 2017
Wednesday, May 31, 2017 at 7:00 PM
Plainview-Old Bethpage Middle School Library

We are pleased to offer special morning enrichment programs to our elementary children starting in September. These classes will be held three mornings a week from 8:10 AM – 9:10 AM for Musical Theater and Robotics, and 7:50 AM – 8:50 AM for Coding. These programs are cross-curricular and will boost your child's learning of Science, Technology, Engineering, Art and Math. These skills are attained in a fun, innovative manner as your child gets ready to start their school day.

E-STEAM will begin the second week of September. Registration will begin May 31, 2017 at 7:00 PM with a parent presentation at the Plainview-Old Bethpage Middle School library and will continue on a first come, first served basis through August, or until the spots are all reserved. The program needs to be paid in full upon registration. Child care registration forms are mandatory with a pre-registration form and $50 registration fee, though children do not need to be in child care to take advantage of the E-STEAM morning program. Full packets will need to be filled out, as well as the additional E-STEAM registration form.

We are excited to offer the following programs:

Coding - $180

Robotics - $240

Musical Theater - $240

For full descriptions of the classes, please visit the website www.pobschools.org
