CHILD CARE PROGRAM

WELCOME TO E-STEAM

AN EARLY MORNING CHILD CARE ENRICHMENT PROGRAM DESIGNED FOR ELEMENTARY STUDENTS K-4

We are pleased to offer special morning enrichment programs to our elementary children in grades kindergarten through 4th grade. These programs are cross-curricular and will boost your child's learning of Science, Technology, Engineering, Art and Math. These skills are attained in a fun, innovative manner as your child gets ready to start their school day. We are excited to offer the following programs:

NASA Space Program

Coding

Musical Theater

Coding

\$190

Students will create computer programs that will help them learn to collaborate with others, develop problem-solving skills, and persist through difficult tasks. Students create their very own custom games and stories that they can share.

As their proficiency advances, they will learn additional coding skills. Students will have the opportunity to advance at their own pace.

Students will work with Tynker, Code.org, and Kodable, at their own pace with teacher guidance.

NASA Space Program

\$310

Academy of Space Explorers: Mad Science and NASA have teamed up to bring you the excitement and wonder of space in this new voyage of discovery. Explore the atmosphere of Earth and beyond, watch star dust burn, investigate weather patterns, explore your center of gravity, create a lunar eclipse, probe the mysteries of meteors, and investigate the ingredients of the universe as you learn about space phenomena in a fun and exciting Mad Science environment. This is an experience that is truly out of this world!

Musical Theater

\$290

Finding Nemo KIDS brings a vibrant underwater world to life in a story full of family, friendship, and adventure. With the help of lovable characters such as optimistic Dory, laid-back sea turtle Crush, and the supportive Tank Gang, Marlin and Nemo both overcome challenges on their journey to find each other and themselves.
