CHILD CARE PROGRAM

WELCOME TO E-STEAM AN EARLY MORNING CHILD CARE ENRICHMENT PROGRAM DESIGNED FOR ELEMENTARY STUDENTS K-4

We are pleased to offer special morning enrichment programs to our elementary children in grades kindergarten through 4th grade. These programs are cross-curricular and will boost your child's learning of Science, Technology, Engineering, Art and Math. These skills are attained in a fun, innovative manner as your child gets ready to start their school day. We are excited to offer the following programs:

Yoga

Coding

STEAM Tank

Coding \$190

Students will create computer programs that will help them learn to collaborate with others, develop problem-solving skills, and persist through difficult tasks. Students create their very own custom games and stories that they can share.

As their proficiency advances, they will learn additional coding skills. Students will have the opportunity to advance at their own pace.

Students will work with Tynker, Code.org, and Kodable, at their own pace with teacher guidance.

YOGA \$250

Yoga for children is a magical exploration of movement, breath, and imagination. We will engage in playful poses, embark on yoga adventures, and weave mindfulness throughout all we do. Age-appropriate yoga sequences, games, songs and storytelling will have a positive impact on their concentration, body awareness, self-confidence and emotional resilience.

STEAM Tank Entrepreneur Island® \$260

Inspired by the Shark Tank TV show, this Island is a true experience in STEAM and entrepreneurship. STEAM Teams learn about target markets, logo and slogan creation and more, as they design and open a variety of new businesses.

PIZZAprenneur© Spinning Pizzeria©, SWEETpreneur© Gumball Machine Drop and PETpreneur© Pet Spa Pipeline© are just a few of the innovative destinations on STEAM Tank Entrepreneur Island.
