

Dear ENL Course Participant:

Your district has subscribed to the Nassau BOCES ENL Plus program which offers 34 two-hour virtual, CTLE-certified ENL and general education professional development courses.

Please note the important information below:

You must register in two places to complete these courses.

- Register in My Learning Plan (MLP) to receive CTLE credit.
- Register in the BUZZ learning management system to access/complete coursework.

Courses must be marked complete in MLP by both Nassau BOCES and your district MLP administrator before CTLE certificates can be downloaded. Courses will be marked complete at the end of each month when the following criteria are met:

- A minimum of two hours is spent in the course
- 85% of all activities are completed
- 80% is achieved on all gradable activities

All courses are housed in our BUZZ Learning Management System. Below is information to register and access courses through Buzz:
