October 2016

Dear Parents/Guardians:

Title I is part of the federal legislation known as No Child Left Behind (NCLB), which provides supplemental funding to schools and districts to help address the needs of at-risk students. Plainview-Old Bethpage Middle School receives Title I funds.

According to NCLB, each parent whose child attends a school receiving Title I funds has the right to know the academic qualifications of his/her child's teachers.

This is to inform you that all teachers in the Plainview-Old Bethpage Central School District meet the standards for highly qualified professionals as defined by federal legislation. All of the teachers in the Plainview-Old Bethpage Middle School have met State qualification and licensing criteria for the grade levels and subject areas in which they provide instruction. You are, however, entitled to request specific information as to the qualifications of your child's teachers and may forward any questions to the building principal or district office administration.

Please feel free to contact me if you have any additional questions.

Sincerely yours,

Alice Bowman
Principal
