The mission of the Plainview-Old Bethpage Central School District is to provide an academically challenging and stimulating environment for all students, and to enable them to realize their full potential to be happy, ethical and analytical citizens of the world. We do this by:

- making tolerance, acceptance, respect, honesty and kindness expectations for all students and for members of the Plainview-Old Bethpage school community.
- identifying each student's academic, social-emotional, aesthetic and physical needs, and striving to meet those needs; and
- encouraging communications between and among students, teachers, parents, administrators, and community members.

Please return the attached form to me no later than **March 13, 2017**. Thank you in advance for your input.
