September 27, 2021

Dear Parents/Guardians,

The District will be requiring weekly COVID-19 testing for all unvaccinated student athletes participating in high risk sports. The following sports are considered High Risk: *Football, Boys' Volleyball, Girls' Volleyball, and Cheerleading*.

As of this moment we have not received your child's proof of vaccination or they are not fully vaccinated. As a result they are subject to the required weekly COVID-19 testing.

Students athletes and their families have two option to secure their weekly COVID-19 test:

1. Through an external provider

- a. To submit a copy of your child's COVID-19 test for the week of September 24th - September 30th please [click here](#)

2. Through an in district provider

- a. In order to accurately staff and supply our provider we are asking that you please complete the following [Google form](#)
- b. In-district testing will be done weekly on Thursdays.
- c. Students who will test with us will receive a link to schedule an appointment on Wednesday.

If you have any questions or concerns please feel free to reach out to my office.

Thank you and GO HAWKS!!!!

Joseph Braico
