Dear POB Community Members,

Last weekend's Homecoming event was a resounding success. Not only did our Football team defeat Westbury 24-6, but it brought the entire POB community together. The parade was the largest and most well attended parade that we ever had. The marching band was fantastic as usual leading the parade. The Cheer and Kickline teams gave fantastic performances which got the crowd rocking. The homecoming village made a comeback and provided a great opportunity for the community to see all of the wonderful things that our high school clubs have to offer.

We have an exciting week of Plainview-Old Bethpage Hawk Athletics coming up. Please come out and support the Hawks this week.
