Dear Parents and Guardians,

Each year the Plainview-Old Bethpage Health Education Department provides a lesson to the 4th grade students on the topic of puberty. This lesson is age appropriate and discusses some of the mental, social, and physical changes that a child will begin to experience. The lesson is conducted in a controlled environment - to ensure that only appropriate subject matter is discussed. The following link will provide a preview of the puberty lesson presentation - [Click Here](#)

Listed below are the dates and times the lesson will be conducted at each respective school:

Old Bethpage Elementary School
