We hope that this message finds you well. On January, 10, 2022 the New York State Department of Health released the following guidance:

Masking and Distancing: Both masking and distancing continue to be required in school settings.

Extracurricular or after school activities: Individuals 12 years and older who are eligible for a booster but not boosted, and who have been exposed to an individuals with COVID-19, cannot participate in extracurricular or after school activities and, aside from school attendance for instruction and bus travel, must adhere to a 5-day quarantine at home. Fully vaccinated 5-11-year-old children are not eligible for a booster and have no further restrictions.

For updated information regarding the CDC's definition of the vaccination series, please consult this link: [CDC Guidance on Vaccines..](#)

If you have any questions or concerns please feel free to contact the Athletic Department.

Thank you and GO HAWKS!!!!
