

# Superintendent Highlight of the Week

December 5<sup>th</sup>, 2013

POBJFK HS students were among the select group of invitees to the World UNICEF Headquarters for a major world news announcement and media event. The students from *The Hawk Eye* newspaper staff and METMUNC members celebrated with none other than Katy Perry, musician and pop star extraordinaire, as she graciously accepted her new title as World Ambassador to UNICEF. News of this event went global as can be seen from the front cover of the Daily Mail that evening. <http://www.dailymail.co.uk/tvshowbiz/article-2517777/Katy-Perry-stop-smiling-shes-announced-UNICEFs-Goodwill-Ambassador.html>

Ms. Perry was interviewed about her experiences abroad with the UNICEF mission, as well as her commitment to children all over the world. Her new video “Unconditional” was premiered at this event, showing footage from her recent trip to Madagascar for UNICEF helping and working with less fortunate children. Ms. Perry took many photographs with the students and was happy to speak with them. Needless to say, our students left there with a great memory of meeting Ms. Perry and an enlightened understanding of all that UNICEF does for children around the world. The adults accompanying them were equally excited- Ms. Sharon Lasher, Assistant Principal and your Superintendent.

A day with students...it does not get better than this for a superintendent.
