Dear Senior:

A note about senior year grades: **First quarter grades** are not automatically sent to the colleges. It is the student's responsibility to know if the college(s) require first quarter grades, and if so, the deadline. Students must submit this request, in writing, to their counselor.

Please note: When we send first quarter grades through Naviance, they will be going to all the common app schools on your list, not just specific ones. Please speak to your counselor if you do not want the first quarter grades to go to all your common app schools.

Mid-year grades will be automatically sent to all applied colleges unless a written request NOT to have them sent is received by Wednesday, February 1.

Thank you. The Guidance Department

SAFETY TIPS

STUDENTS, please make sure all your **valuables are locked up** in your gym locker during your Physical Education class. If you cannot fit your valuables in your gym locker, leave them locked in your regular school locker or leave them at home if you do not need them for school. The POB school district is not responsible for theft of personal belongings, so please make sure they are safely locked up at all times.

PARENTS/STUDENTS: It has come to our attention that students are having a difficult time **crossing the street** from the Plainview pool at the crosswalk onto Kennedy Drive in the mornings, especially since it is still dark as they are arriving. Although there is a sign allowing you to make a righthand turn onto Kennedy Drive, you must be sure to **make a full stop**, and when clear of pedestrians, you may do so. For those students who are walking across from the Plainview pool parking lot, please be sure to cross at the light only. Crossing in the middle of the road, weaving

between cars, is a very dangerous situation. Please discuss with your children the dangers involved in crossing this way and instruct them to cross at the light only.

ATTENTION STUDENTS WHO PARK IN THE PLAINVIEW POOL PARKING LOT: Please do not move the safety cones that are placed in the parking spots. They are specifically put there for your protection and should not be tampered with. Additionally, when parking near a cone, please leave space between your car and the cone. Please be advised that the Plainview Community Pool parking lot will be closing at 7 PM each day until further notice. Students parking at the pool must remove their cars no later than 7 PM.

We are asking all students who are **parking on Washington Avenue** to be mindful not to park on our neighbors' grass. This is not only damaging to the grass but to the sprinkler systems of the homes. Please make sure to keep your tires on the roadway.
