Welcome to the 2022-2023 school year! SEPTA is an acronym for Special Education Parent Teacher Association. We are a district-wide PTA with members from all POB schools and have representatives on all of the district's committees.

SEPTA supports all students in the district with special needs and their families (including students receiving related services such as speech, occupational therapy, and physical therapy).

Parents who have children with an IEP or 504 plan or who receive services through the school district should become members of SEPTA!

A Strong Membership = a Strong Voice for our Children.

SEPTA works with parents and teachers to create a network of communication which involves the sharing of vital information within our district and outside of school **which is especially important at this time.** We provide the support system for parents at our monthly meetings where we meet to share tips and ideas, learn from guest speakers, and offer a forum to speak among others with similar experiences. We have many programs and activities and plan on having our Annual SEPTA Night Out, Family Night, and Track & Field Day.

**Please attend our first meeting of the 2022-2023 school year on
Wednesday, September 14th to meet the PPS Director and Assistant Directors.**

Please join SEPTA so we may continue to provide these vital services for our children and their families. **Plus every member will receive a free discount membership card.** Please provide your email so we can inform you of SEPTA news and events. SEPTA looks forward to the return of past members and meeting new ones. We hope you'll join us in both membership and attendance.
