# Le journal des actualités

Your assignment is to pick a French speaking country to follow. You will keep a journal on cultural happenings/current events. You should use that country's own news site(s) (provided below) to find authentic resources. No English sources will be accepted.

Your journal should have each entry on a new page with a total of 5 entries written entirely in French

## → Each page should include:

- A summary of what is happening/happened. *\*Handwritten*
- Comparison to your own community and/or home culture. *\*Handwritten*
- A visual aspect (drawing/clipart/printed picture).

Below is a sampling of francophone countries and territories to choose from.
