

Plainview-Old Bethpage CSD

2020-2021

Art and Digital Instruction

Moving Mountains

Teaching and Learning

- The following proposed budget supports *teaching and learning* by providing K-12 Visual Art students with industry-standard technology and equipment, adequate and high quality art supplies, access to safe and reliable art furniture, and opportunities to explore the Arts outside of their classroom; by various art field trips and admittance to Art contests and shows.

STEAM/Technology

- The following proposed budget supports the District's initiative to increase the effective use of *technology* by providing students with real-world and industry-standard drawing tablets, photographic equipment, document cameras, and robust hardware to support the high level Art courses in place throughout our department.

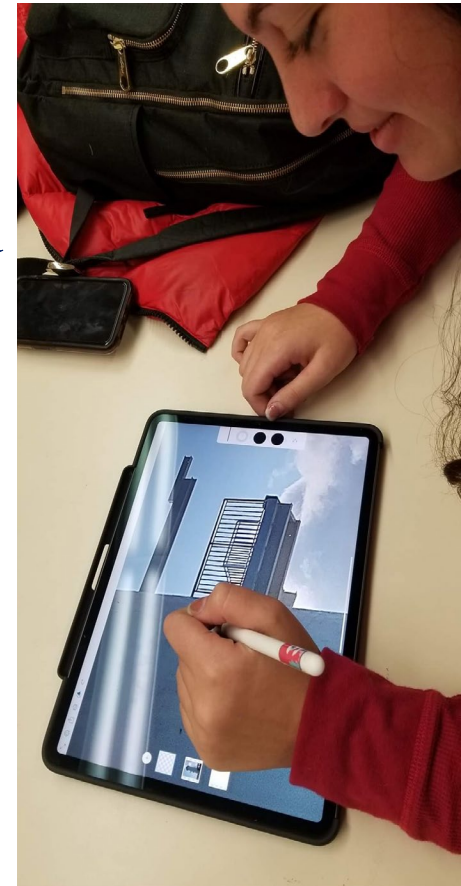

Moving Mountains

Social/Emotional Learning:

- The following proposed budget supports *social and emotional learning* by providing students a wide variety of learning devices and/or opportunities to grow as artists throughout our program. This budget supports Art enrichment programs for students, trips to local museums and Art galleries, and various artistic supplies to meet the needs of each and every student.

Health and Safety:

- The following budget supports *health and safety* in our Art rooms, K-12, by providing students and teachers safe and reliable furniture to both create artwork on and use for storage of supplies, equipment, and student projects. Furniture upgrades have been a big component to our department-wide “5-Year Plan”, updating all of our schools with safer, new, and more functional work spaces for students.
