*Coronavirus Response and Relief Supplemental Appropriations*

# Overview

- On March 27, 2020, Congress passed, and the President signed into law, the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provides \$30.75 billion nationwide in the Education Stabilization Fund to prevent, prepare for and respond to the coronavirus;
- On December 27, 2020, the President signed into law the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act). The CRRSA Act provides \$81.88 billion nationwide in a second Education Stabilization Fund to prevent, prepare for and respond to the coronavirus; and
- On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ARP-ESSER) funds, of which USDE must use \$800 million to provide homeless children and youth with wrap-around services and assistance to attend school and participate fully in school activities.

Estimated allocations first appeared below the final state aid run after the NYS budget was passed on April 7, 2021. These funds are not state aid and are not included in the general fund budget.

The district must develop a plan using a similar process as we use for the annual ESSA/Title grants.

# Allowable Uses of Funds

## Done

The CARES Act includes funds related to preventing, preparing for and responding to COVID-19.

There are no “set-aside” requirements for these funds.

## CARES Act

## CRRSA Act

These funds may be used for the same allowable purposes as CARES Act and ARP, including hiring new staff and avoiding layoffs.

The “additional” allowable uses of funds under the CRRSA Act (addressing learning loss, preparing schools for reopening, and testing, repairing, and upgrading projects to improve air quality in school buildings) already are permitted under the CARES Act.

There are no “set-aside” requirements for these funds.

Set-aside: a portion of funds that must be used for a specific purpose that is explicitly identified in the requirements of a grant.

# *Allowable Uses of Funds*

## ARP

Districts must set aside at least 20 percent of their total ARP allocation to address learning loss through the implementation of evidence-based interventions, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

The remaining ARP funds may be used for the same allowable purposes as CARES and CRRSA, including hiring new staff and avoiding layoffs.

The legislation specifically authorizes districts to use ARP funds to develop strategies and implement public health protocols including, to the greatest extent practicable, policies in line with guidance from the CDC for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff. Schools may also use their CARES and CRRSA funds for this purpose, although it is not expressly listed in the CARES or CRRSA Act.

# Equitable Services with Non-Public Schools

CARES Act	CRRSA Act	ARP Act
<p>Districts that receive CARES Act funds must provide equitable services to non-public school students and teachers in the same manner as provided under section 1117 of Title I, Part A of the ESEA.</p> <p>Plainview-Old Bethpage has already partnered with HANC Plainview.</p>	<p>Districts do not provide equitable services under CRRSA.</p> <p>Non-public schools may apply directly to NYSED to receive services or assistance.</p>	<p>Districts do not provide equitable services under CRRSA.</p> <p>ARP includes a separate program for assistance for non-public schools.</p>
