

Plainview-Old Bethpage CSD 2014 Bond Referendum & Capital Projects Update

August 12, 2019

Construction Overview

- The District will complete about \$17 million in construction work between June 2019 and December 2019.
- Of the \$49.7 million Bond passed by voters in 2014, the District has committed \$44.4 million or almost 90% of total funding. Most of the work still to be completed is at Stratford Road.
- Work has been taking place in all seven schools.
- Some work will continue into the school year.
