TWILIGHT

- **The Twilight Program provides an alternate learning environment, with smaller classes and outside of the traditional school day, to support students who struggle with attending school.**
- **The program has grown tremendously with 11 students currently enrolled! We are satisfying a need for our most valuable commodities, our students.**
- **Students who were not coming to school are now doing it, and they are doing well in their classes and are supporting each other through their struggles.**
- **Some students would likely have been placed out of district, had it not been for POB Twilight.**
- **Students love the program!**
