

## **H.B. Mattlin Club Descriptions 2018-2019:**

### **Art Club**

Express your creativity using a variety of art materials in Art Club!

### **Book Club**

Discuss books read at each meeting.  
Class library is available.

### **Girl Talk**

Girl Talk will meet on a regular basis to provide students with an opportunity to discuss issues which affect their daily lives in a positive and fun environment. Students will receive support with social skills, problem solving and issues associated with being a girl.

### **Grandpals**

Meet and spend time with our senior neighbors at The Atria doing arts and crafts and playing games.

### **Drama Club**

Sing, dance and have fun in the cast or crew of our annual spring musical production.  
Rehearsals begin in November. See postings in A-House lobby.

### **Newspaper Club**

Writers and artists needed! Join the staff of Mattlin PRIDE! We meet Period 9 on Fridays.

### **Spanish Club**

Learn about Spanish culture through art, music and media. Organize foreign language week activities.

### **Coding Club**

This club will explore different types of programming skills. Students will learn how to create their own stories, games and animations. Students will have an opportunity to share their projects during club time.

### **Plainview Buddies**

Plainview Buddies would create opportunities for one-to-one friendships between middle school students with and without disabilities in which they share interests, experiences, and activities.

### **Culture Club**

Stand up against Bullying! The Pride Approach focuses on a positive school climate, leadership skills and peer relationships.

### **Kids in the Kitchen (Grades 5/6)**

Follow recipes while cooking delicious and nutritious foods!

### **Junior Chefs (Grades 7/8)**

Develop advanced cooking skills to create creative dishes!

### **Math Olympiads**

Join in for this world-wide math competition! Practice solving a variety of challenging math problems and compete in five contests from November to March.

### **School Store**

Fifth grade students are invited to join this student-run store located in the rear of A-House. Snacks, drinks and school supplies are available.

### **Mural Club**

Did you ever walk around the school and think... "I wish it had more color, more pizzazz, more murals?"

If you have, then this is the perfect club for you. You will be an essential part of the of deciding the location, theme and concept of the mural. Once Mrs. G sketches the concept on the wall, you and your peers will be responsible for painting.

### **Student Council**

Elected representatives from each grade address concerns of their fellow students and organize school functions such as the annual talent show, seasonal parties and Spirit Week events.

### **TAG -The After School Group**

Volunteer as a peer mentor to assist students in our school that need help learning to socialize and play appropriately with their peers.

### **Jazz Ensemble**

Students will explore and perform Jazz, Pop and Latin genres, as well as learning improvisation and Jazz interpretation. Meetings are Monday and Wednesday during zero period with occasional after school sectionals. Note: audition required.

### **Lego/Robotics**

Students will work together to problem solve and design an original creation. Twenty students will be selected to compete regionally with other teams based on specific criteria.

### **Service Club**

A club that helps students understand the value of service to their school and community.

### **The Environmental Club**

This club is a place where students in grades 5-8 can come to learn and experience different aspects of our environment. Students will explore the fertilization process and raise and release Brook trout. Students will also tackle the embryology of Northern Bobwhite quail and ducks. Club members will explore additional topics of interest throughout the school year. The Environmental Club will meet twice a month from October through June.

### **Computer Club**

Use educational software and online resources in fun ways.

### **Yearbook**

Eighth graders are invited to help create this keepsake publication. Take pictures, arrange collages and create pages using your ideas.
