April 4, 2023

Good evening, POB School Community.

I hope this evening finds you enjoying the preview to spring and summer. Today's Art Honor Society Induction let us know that the season to celebrate our students is upon us. I am writing to remind you that our spring recess begins this Thursday, April 6th. **All POB Schools will be closed April 6th-April 16th.** Schools will reopen on Monday, April 17th.

Last week, our science department, high school students, and PTA combined efforts and hosted the annual POB STEAM Night. This year, the event was back in person for families to engage in STEAM activities led by our students. There was a powerful video played at the beginning of the night, which is worth watching: [Neil Degrasse Tyson-The Most Human Activity](#). In the video, he encourages us to foster and encourage children's curiosity.

Finally, we are #POBProud of all students, but three of them deserve some recognition. Benjamin Goodman, Melissa Wynne, and Joanna Chertoff have created a Holocaust documentary, *Names, Not Numbers*, which will premiere at the Suffolk Y JCC on April 30th at 4:00 PM. Below is the flyer should you wish to attend.
