Dr. Mary O'Meara
Superintendent of Schools

November 3, 2022

Good afternoon, POB School Community.

Just a reminder that tonight is POB's Family Night, a night set aside for families to enjoy each other's company without the interruption of homework. Our PTA has done an incredible job curating a list of local restaurants that will provide a discount to any POB family ordering from them. Please consider giving the family cook the night off as well and support our local businesses.

Also, congratulations to our **Boys' Varsity Soccer** team who won the county championships last night in a nail-biting match against Oceanside. Read all about the game in today's [Newsday](#). This Sunday, the team will face the Suffolk County championship team in the Long Island Championship game, 4 PM at Mitchell Field. Also, this weekend, our **Girls' and Boys' Cross Country** team will send members to the State qualifiers and our **Girls' Swimming and Diving** team will compete in the Nassau County Championships. Lastly, our **Girls' Volleyball** team will face Massapequa for the Nassau County Semi-finals today. It appears "Let's Go Hawks!" will be heard all around New York these next few days.

Have a good evening.

Sincerely,

Dr. Mary O'Meara
Superintendent of Schools
