Good afternoon, POB School Community.

Our first month of school is complete, and we are looking forward to all the events and activities in which our students and families can participate. Next weekend's Homecoming parade and football game provide us an excellent opportunity to come out and celebrate POB Pride. The parade will step-off at the Community Pool and march along Washington Avenue, turning into the H.B. Mattlin Middle School entrance, and end at the POBJFKHS football field. Our various clubs and honor societies will have tables to interact with children and their families. Our PTA will have a table with giveaways and information about membership. If you have not yet joined the PTA and wish to, [here is a link](#) to the membership links.

Our students continue to impress us and the larger educational community! The District has been notified that a record number of seniors, 27 of them, have been identified as Commended Students in the 2023 National Merit Scholarship Competition. Congratulations to:

Aidan Atkin	Valerie Kandel	Sage Prinstein

Lastly, the Nassau County Police Department has issued a warning about virtual kidnappings. Please read the notice sent to us and share with your family members. Typically, it is our senior citizen population who fall prey to these types of scams.
