

Superintendent's Highlight October 18, 2019

Building on the great success of our Challenger Basketball Program over the past few years, the Plainview-Old Bethpage CSD decided to start a Challenger Soccer Program this fall. The team currently has 8 student athletes in grades 7-12. The schedule for this season included

games against rival schools Seaford, South Huntington, Bethpage, Mineola and finally, Massapequa. The team is coached by Cheri Wojnicki and Ed Broad.

The student athletes have been practicing since late September, working on improving their soccer skills - passing, dribbling and shooting. The team also prides itself on its sportsmanship and camaraderie between players.

All of the hard work paid off when we played our first game of the season on Thursday, October 10, 2019. The game was against the Seaford School District. The team showed great energy and effort.

We can't wait to see how this team grows and progresses this year.

LET'S GO HAWKS!!!!
