

## **Ribbon-cutting Ceremony Celebrates New Comfort Station Opening at Plainview-Old Bethpage JFK High School**

On May 9th, Plainview-Old Bethpage School District celebrated the grand opening of its new comfort station at Plainview-Old Bethpage JFK High School. The new comfort station is a significant addition to the school community, providing a clean and convenient facility for students, staff, and visitors.

"We are thrilled to unveil the new comfort station at Plainview-Old Bethpage JFK High School," said Superintendent of Schools Dr. Mary O'Meara. "This facility will benefit our entire school community and provide a more comfortable and convenient experience for everyone. We are grateful to all who contributed to this project and supported its completion."

Members of the Board of Education attended the event including Vice President Seth Greenberg and Trustees Gary Bettan, Jared Goerke, Ginger Lieberman and Tara Rock. Also present were Assistant Superintendent for Business Dr. Christopher Dillon, Business Administrator Brianna Pisano, Director of School Facilities & Operations Andrew Ward, Athletic Director Joseph Braico, members of the POB Booster Club, staff, students, and parents.

The grand opening of the comfort station is another example of the District's ongoing commitment to providing exceptional facilities for its students.

Plainview-Old Bethpage Schools celebrated the opening of the new comfort station at Plainview-Old Bethpage JFK High School with a ribbon-cutting ceremony on May 9th.

Members of the Board of Education, Administration, POB Booster Club, staff, students, and parents attended the ceremony.
