

## **Mark Wood experience mesmerizes Plainview-Old Bethpage students**

Mark Wood, the original string master of the Trans-Siberian Orchestra brought an electrifying vibe to Plainview-Old Bethpage Schools. Wood's Electrify Your Symphony residency ignited a passion for positivity, community, and connection through orchestral music. Students in grades 7-12 immersed themselves in thrilling assemblies and rehearsals, uniting with Wood's touring band for an unforgettable live rock performance. The collaboration created a musical experience that celebrated POB's theme "Every Student Matters, Every Moment Counts".

The entire Plainview-Old Bethpage community were engaged and motivated during Mark Wood's Electrify Your Symphony residency from Jan. 31 – Feb. 3.
