POBJFKHS Faculty and Students Selected for Annual Art Exhibit

PLAINVIEW, NEW YORK (MARCH 2022) — Four faculty members and their students from Plainview-Old Bethpage John F. Kennedy High School in the Plainview-Old Bethpage Central School District have been entered into the New York State Art Teachers Association's 2022 Exhibit, "Kindred Spirits 2." Seniors Julia Newman and Devyn Rosner, junior Samuel Erlich, and sophomore Jiyoon (Maggie) Lim, have had their works featured in the exhibit alongside their teachers Jennifer Beinlich, Kelly Verdi, Linda Curran, and Warren Jacobson, respectively.

A "kindred spirit" is meant to describe two or more people who share a common interest, value, or world view. In this case, the exhibit is meant to showcase the common ground of art, displaying the works of Long Island art educators as well as their current and former students. Beyond finding commonalities between student and teacher, the exhibit is intended to highlight the bonds we form through art, both in its creation and appreciation.

The exhibit was on display in The Firefly Artists Gallery, located at the Darcy Arts Center at 162 Main Street in Northport, NY.
