

Plainview-Old Bethpage Schools named among Best Communities for Music Education

The Plainview-Old Bethpage Central School District proudly announces its selection as one of the National Association for Music Merchants Foundation's Best Communities for Music Education for the eighth consecutive year. Out of thousands of applications, Plainview-Old Bethpage is one of 925 districts chosen for this prestigious recognition.

This honor reflects the district's unwavering commitment to providing exceptional music education opportunities to its students. The dedication and hard work of the music and performing arts staff, along with the strong support from the Board of Education, administration, staff, parents, and community members, have contributed to this remarkable achievement.

"We are incredibly proud of our district's continuous recognition as one of the Best Communities for Music Education," said Dr. Mary O'Meara, Superintendent of Schools. "This accolade underscores our commitment to offering a comprehensive education that includes music and the arts."
