

Plainview-Old Bethpage Has Holiday Season Filled with Music

Students All Over the District Display Talents at Winter Concerts

PLAINVIEW, NEW YORK (December, 2023)—Students throughout the Plainview-Old Bethpage Central School District brought extra holiday cheer this December with their annual winter concerts.

After months of hard work and preparation, student musicians and singers throughout the grade levels performed holiday tunes to an audience of friends and families, much to their delight. These special annual productions provide holiday cheer to loved ones while offering students a chance to pursue musical interests alongside their peers.

“The winter concert season is a huge undertaking, and it’s made possible only through the hard work of our dedicated music instructors, and, of course, our talented student musicians and singers,” said Director of Music and Performing Arts Michael Rodgers. “Congratulations to all involved! I have no doubt these concerts created wonderful holiday memories for our students’ friends and families.”
