

**POBCSD
9th Grade
1:1 Chromebook
Parent/Student
Presentation**

Welcome

A grayscale photograph of a hand holding a piece of chalk, writing on a chalkboard. The background is slightly blurred, showing some faint handwriting on the board.

Presented by:

Mr. James Murray

Principal, Plainview-Old Bethpage John F. Kennedy High School

Mr. Philip Farrelly

Asst. Principal, Plainview-Old Bethpage John F. Kennedy High School

Dr. Ben D. Wiley

Director of Art & Digital Instruction

Dr. Guy Lodico

Director of Technology

Goals For This Presentation

- Overview of the 1:1 Initiative
- To become familiar with the learning platform and device selected
- Caring for your **Acer R-752T Chromebook**
- Student/Parent responsibilities regarding the device and the user agreement
- Opportunity for questions or concerns

A person wearing a light-colored, ribbed sweater is shown from the chest up, looking down at a smartphone held in their hands. The background is a blurred indoor setting, possibly a cafe or office. A large, bright blue diamond shape is overlaid on the center of the image, containing the text.

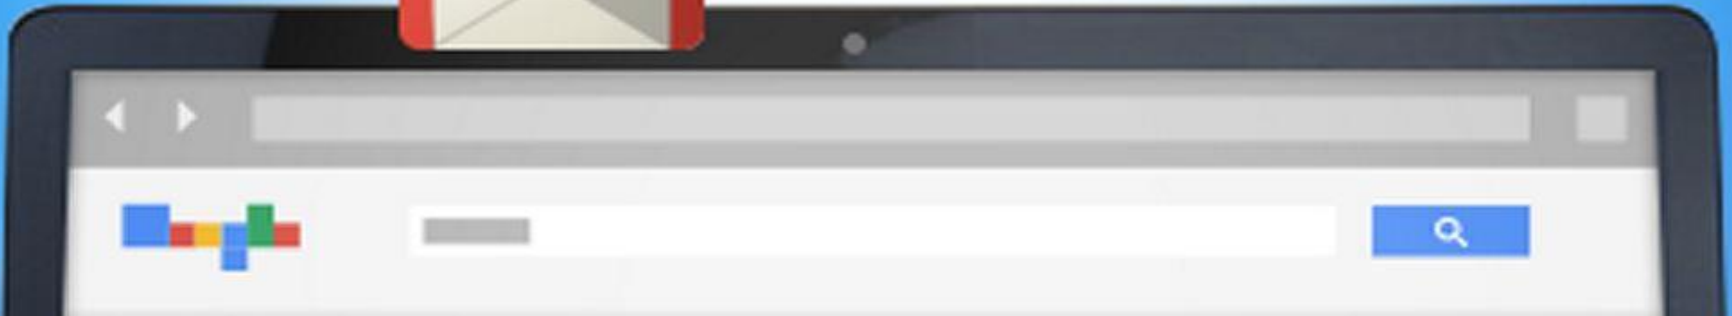

Initiative Background

Let's start from the beginning...

G-Suite for Education

A brief overview...

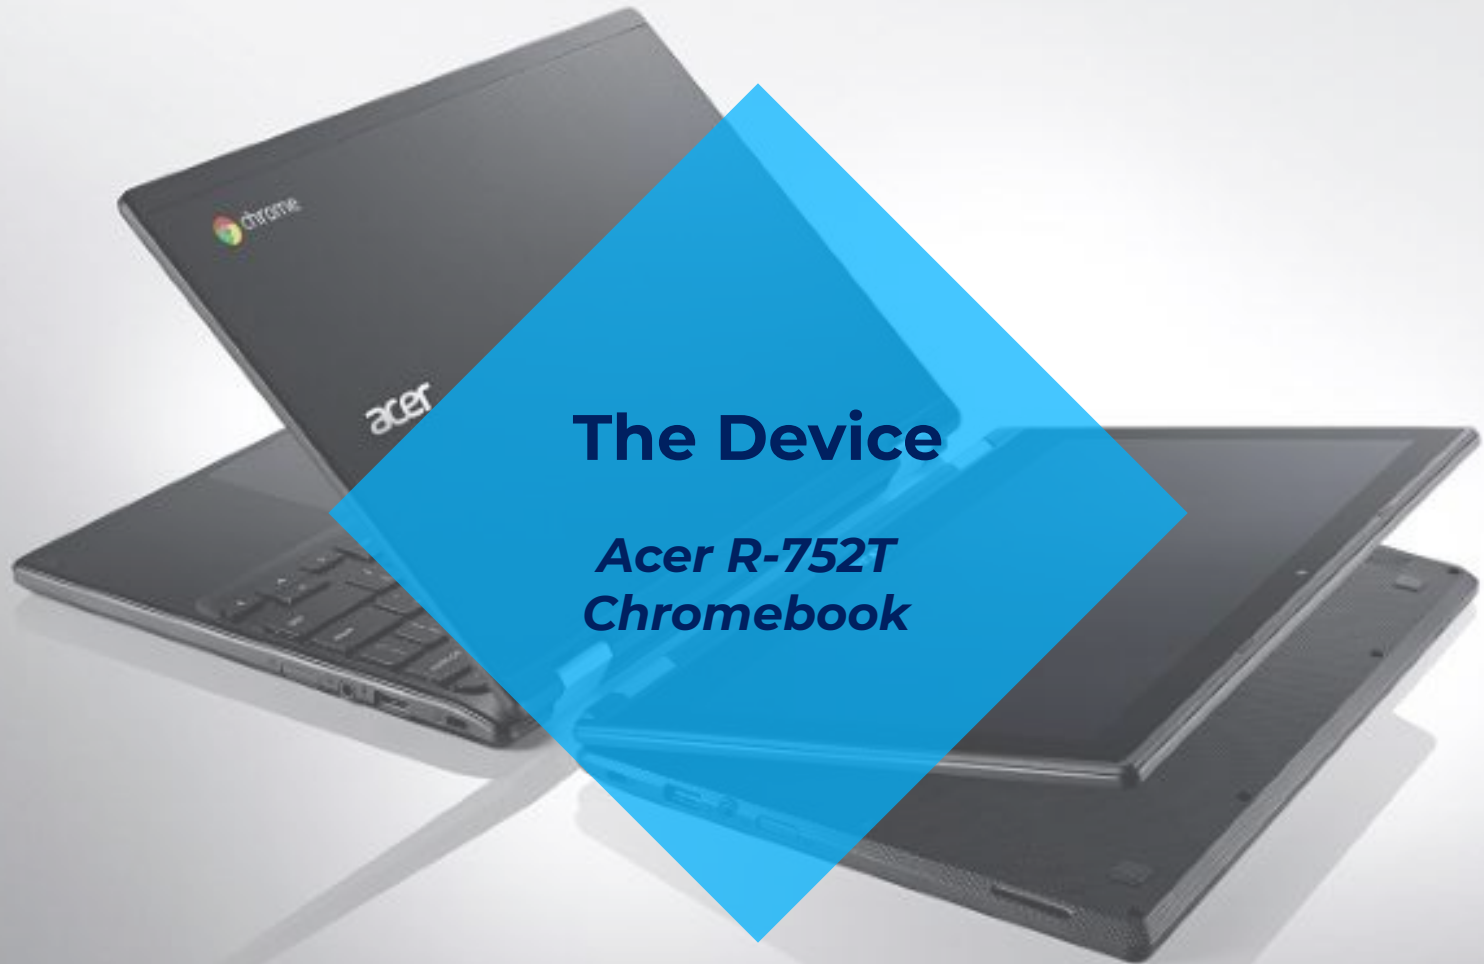

G-Suite for Education allows school districts to create user accounts for students, teachers and administrators. G-Suite accounts provide users with access to **Google Classroom** in a closed domain which the District can monitor.

- **Ad Free:** Ad free and that data is our own.
- **Collaboration:** Create, share and edit files in real time.
- **Cloud-Based:** All data and files are stored in the cloud.
- **Access from any Device:** A consistent experience from any computer, tablet or phone. Work anywhere and anytime you want, including offline.
- **Security:** Data protection and data ownership; what we use is our own. Google has signed a Student Privacy Pledge to reaffirm their commitment to schools to not share student data.
- **Content:** Provides teachers with the ability to push content to students, while also giving them the ability to collect, grade and comment on student work.

The Device

Acer R-752T
Chromebook

➤ **Intel Celeron N33350 processor**

- *Quad-core chip with Intel HD graphics*

➤ **Convertible Design**

- *Laptop*
- *Tent*
- *Tablet*

➤ **Touchscreen 11.6 HD Display**

➤ **Battery Life – up to 10 hours**

➤ **WiFi enabled**

- *2X2 MIMO 802.11 ac wireless technology*

➤ **Lightweight/Portable**

- *20.5mm thin and weighing 1.4kg*

➤ **Sturdy Exterior**

- *Reinforced chassis structure*
- *Rubber bumper*
- *Antimicrobial Corning Gorilla Glass*
- *Dual Acer HD wide-view cameras*

➤ **Offline Access**

- *Users can access Google Drive content when offline, information automatically syncs once Internet connection is restored*

Benefits include...

The Next Phase

*Expectations of
taking the
Chromebook
home*

Tips for Caring for your Chromebook

- **Handle with care:** *Try not to drop or scratch your Google Chromebook and always carry it with two hands.*
- **Don't stack it:** *Place your Chromebook carefully in your backpack and locker and don't put books on top.*
- **Charge it:** *Remember to have it fully charged for school.*
- **Case it:** *Leave your Chromebook in its protective case.*
- **Keep it dry:** *Don't let your Chromebook get wet. Keep it away from drinks and food.*
- **Keep track of it:** *Know where your Chromebook is at all times.*
- **Clean it:** *Wipe the screen gently using only recommended sprays and micro-fiber cloths.*

Reviewing the User Agreements

Student Use of Equipment

- **All District-issued Google Chromebooks are treated as school computers under District policies and guidelines.**
 - *Internet Safety and Use Policy*
 - *Computer Network & Internet Safety/Use Guidelines*
 - *The District's Dignity for All Students Act (DASA)*
 - *The District's Code of Conduct*

- **The District retains the right to repossess, inspect or withdraw authorization for further use of the Google Chromebook without prior notice.**

- **In alignment with District Computer Network and Internet Safety and Use Policies and Guidelines, student users of the Google Chromebooks should not expect any privacy in and for any use of the Google Chromebooks and the GAFE account.**

Student Device Loaner Options

- The District encourages the use of student Google Chromebooks at both school and home to maintain the continuity of instructional goals and activities made possible in a 1:1 program.

Option 1: Take-Home Option

- Student is issued the equipment and granted permission by the District to use and/or take the equipment on and off school grounds and premises and student is assigned a GAFE account.
- The device and carrying case are taken home by the student on a daily basis after the student and parent/guardian reads, agrees to, and signs the Parent/Guardian Chromebook User Agreement.
- By accepting the Take-Home option, parents/guardians acknowledge their responsibility to supervise and monitor their child's use of the Google Chromebook and GAFE account outside of school; and assumes all responsibilities in regards to care, device damage, and repair costs.

Option 2: School-Based Option

- Student is issued a Google Chromebook to be used exclusively on school grounds and premises and is assigned a GAFE account.
- The device and carrying case will be stored in a secure location inside the school. The student is responsible for picking up his/her assigned equipment at the start of each school day and returning it at the end of each school day.
- By accepting the School-Based option, students and parents/guardians must read, sign, date, and return to the District the 1:1 Student/Parent/Guardian Chromebook User Agreement.

Responsibilities

Students

- Travel to and from school with their covered assigned Chromebook.
- Arrive to school with their Chromebook fully charged for the day.
- Travel with their assigned Chromebook from class-to-class during the school day, making sure to properly lock and secure device when not in use.

Parents

- Support the use of their child's Chromebook while at home.
- Monitor their child's use of Chromebook while at home to ensure proper and appropriate use.
- Seek out assistance from their child's teacher and/or school building administrator if they are in need of support.
- Read and agree with all information set forth by the POB 1:1 Parent/Guardian Chromebook User Agreement form.

Damage/Loss/Replacement Costs:

No costs will apply in the first instance of one (1) broken screen during the student's studies at POBJFKHS.

In the event of a second instance during a student's time at POBJFKHS where a Google Chromebook needs to be repaired for a broken screen, the student's parent/guardians will be responsible and liable to pay the District for the total costs of repair and/or replacement.

Please note the following list of related repair/replacement costs are subject to change without notice:

- \$320.26 - Total Acer R-751T Chromebook Device Replacement (lost/stolen/destroyed device)
- \$184.99 - Broken screen *(regardless of warranty status) Includes shipping*
- \$0 - Under 1 year Warranty *(does not include repair of broken screen)*
- \$184.99 - Out-of-Warranty *(regardless of type of repair issue) Includes shipping*
- \$19.25 - Replacement of lost AC Adapter
- \$28.00 - Replacement Battery
- \$11.07 - Replacement of Targus 12" Case/Sleeve with Strap

In the event of a loss/theft of Google Chromebook...

- 1) Student must report the lost Chromebook to his/her school building Assistant Principal, who will contact the parents/guardians immediately.
- 2) An official police report must be filed by the student/parent/guardian in any instance of theft or loss of the Google Chromebook.
- 3) The student's parents/guardians will be fully responsible for the total cost of the Google Chromebook replacement. Total replacement cost: \$320.26 *(NOTE: This amount is subject to change without notice).*

When does the student return the device?

- 1) It is the student/parent/guardian's responsibility to return the Google Chromebook, accessories, and all equipment prior to graduation/leaving the school, and in the same condition issued, with normal wear and tear as determined by the sole discretion of the District.
- 2) The student's parents/guardians will be fully responsible for the total cost of the Google Chromebook if not returned within 30 business days of the due date. Total replacement cost: \$320.26 *(NOTE: This amount is subject to change without notice).*
- 3) Breach of the above rules may result in consequences including the loss of future privileges of using the equipment.

Thank You
