Honors, Regents, Literacy Lab?

- Honors classes move at a quicker pace. May have more material to cover and possibly more reading and/or writing.
- Regents level is the grade level course.
- Literacy Lab- Course designed to help support students develop skills needed for both English and Social Studies

Your teachers made recommendations for each of your core subject areas as to where they feel you will fit best next year.

Important things to remember

- Your schedule will be unique to you
- Let me know your “alternate” choices for electives. We can’t always fit your first choice.
- On my Google Classroom, I posted the information from today’s presentation along with the course offering sheet, an electives video, lunch waiver form and a link to the high school clubs.

Final Thoughts

- Review the information presented today with your parents and come prepared to your meeting.
- Bring the scheduling worksheet so that we can discuss your choices.
- If your parents would like to be a part of our meeting, please make sure they have signed up on my calendly account.
