# Important things to remember

- Your schedule will be unique to you. No two people are alike: interests, strengths and needs will differ.
- Be prepared with “alternate” choices for electives. We can’t always fit your first choice(s).
- Visit my google classroom for important information and links:

# Final Thoughts

- Consider carefully
- Ask questions
- Discuss with your parents
- Be prepared for my classroom visit
  - Review teacher recommendations in advance
- Individual meetings in January & February, as needed
